Daily Announcements for Monday, September 29, 2025

Good Morning - Here are your daily announcements for Monday, September 29, 2025:

- Students, please remember to check your school email and confirm your ELT location for today.
- It's Hispanic Heritage Month! Hispanic and Latino Americans have made incredible contributions to science and technology. Dr. Ellen Ochoa became the first Hispanic woman in space, inspiring future scientists and engineers, and many others continue to innovate and change the world.
- The Homecoming dance will take place on Saturday, October 4th from 8:00 pm-11:00 pm at WHS. Tickets are $10 per person and are available in bookkeeping until Friday, October 3rd at 1 p.m.
- A representative from UW-Whitewater will be here on Thursday, October 2nd during 1st hour. A representative from St. Norbert College will be here on Friday, October 3rd during 4th hour. Any students interested in meeting with the representative, please stop in Student Services to sign up for the meeting.
- Homecoming Week Game: "Where in the Media Center is Gus?" Homecoming is here, and as this year's theme is Biomes, Gus has decided to fly the coop. Instead of going global, he's traveling around and hiding out in the Media Center every single day. On your break, stop in and see if you can track him down for a prize. When you spot him, quietly let Mrs. Klubertanz or Mrs. Devers know his location. SHHH… don't tell anyone else—and leave Gus where he is so others get the chance to find him too. Here's the twist: it's DOUBLE TROUBLE. So don't miss out. Our Gus is on his own little adventure. The question is…will you be the one to find him?

We would like to wish the following student(s) a Happy Birthday!

- Addison Szalanski
- Amelia Vanderwegen
- Kellie Van Dyck
- Mac Hayes

At this time, please stand for the Pledge of Allegiance.
