Volume 6

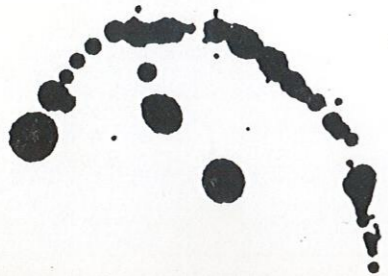

A New Year
 Anticipation engulfs the minds of students and teachers as the 1993-94 school year begins. This year we will explore our own minds and search for knowledge and understanding. New talents and abilities will be uncovered. In the midst of all this, we will build memories that will last a lifetime.

A new year means new faces,
 new classes, new books . . .

. . . seeing old acquaintances
 and meeting new friends.

Miss Jones and Mr. Hudson
 prepare for a new school day.

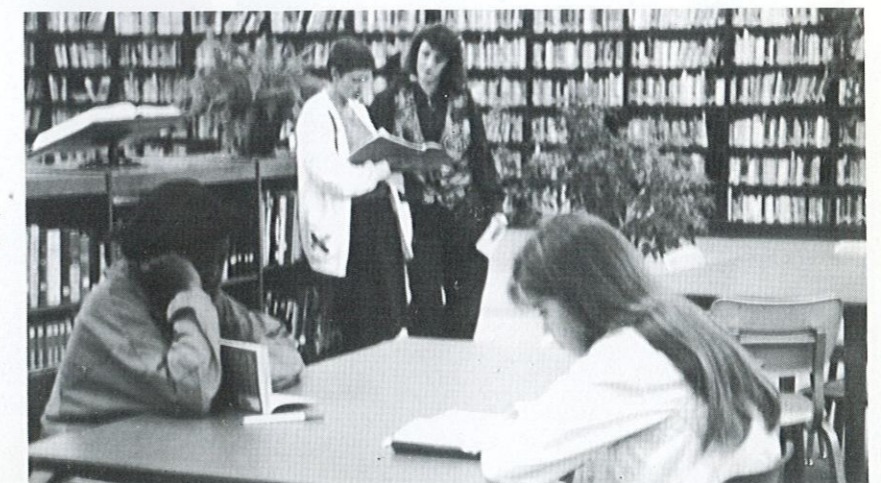

This hard work will pay off, won't it?

What's your excuse?

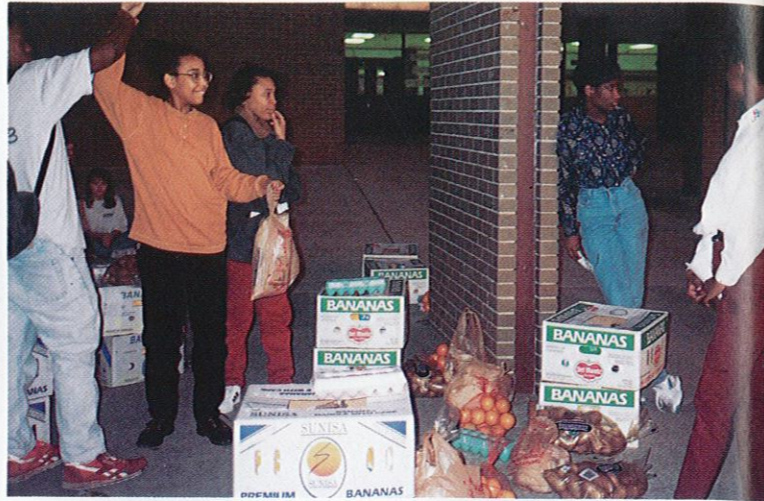

The search for knowledge and
 understanding often begins in the
 library.

School Activities

The Y-Club goes grocery shopping.

Way to go, Devils!

It does get a little scary around here sometimes!

Mrs. Biggs and Mrs. McKee help keep our "spirits" up at Halloween.

The football team gives it their best.

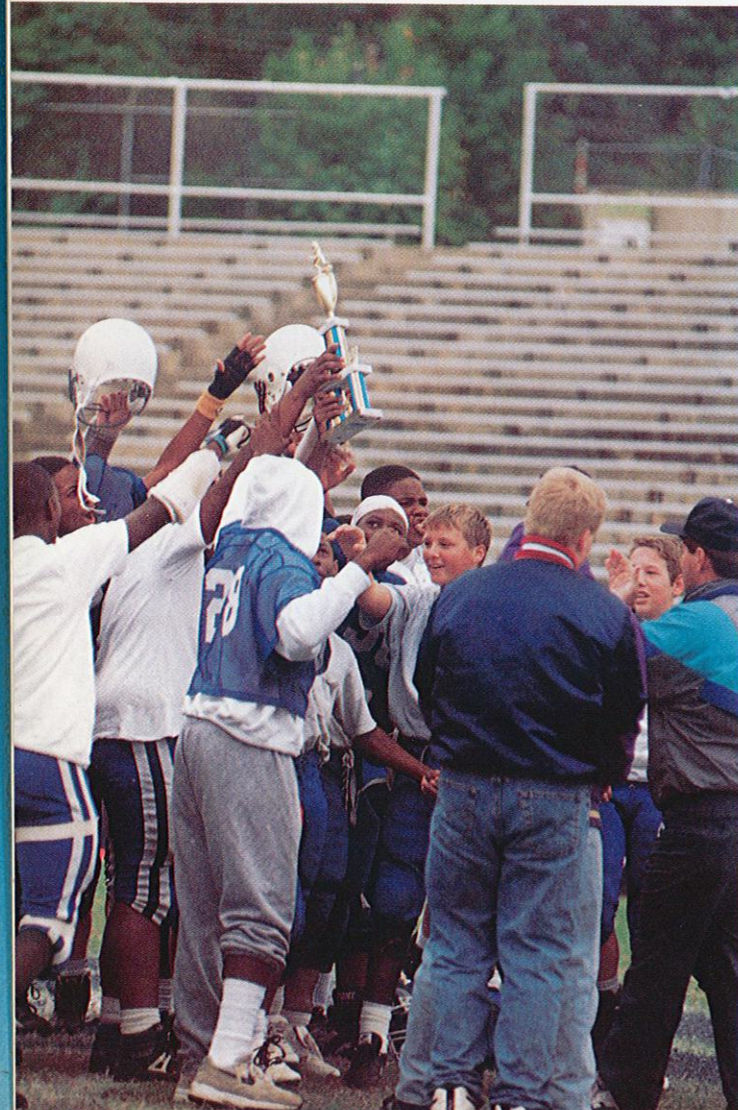

Gobble, Gobble, Boyd, Boyd.

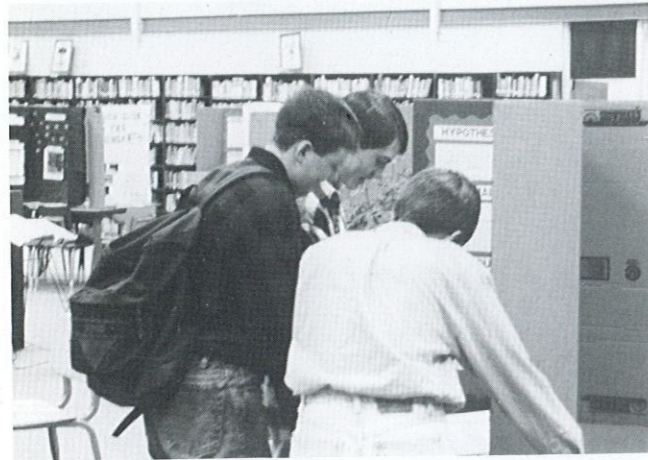

Turkey teacher Jones.

The band "jazzes" things up at the pep rally.

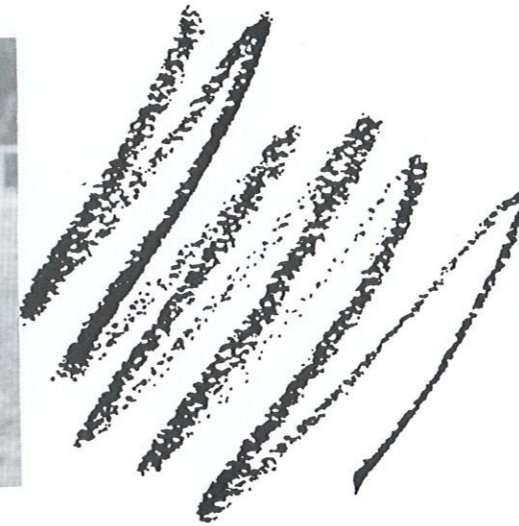

Science projects... yes, you must have a hypothesis and a conclusion.

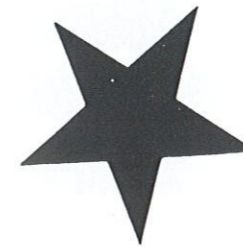

1992-93 Honors Night

But the cheerleaders make this look so easy . . . !

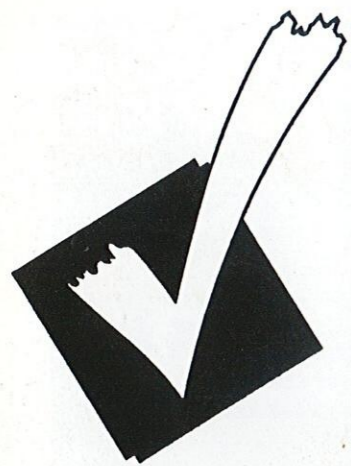

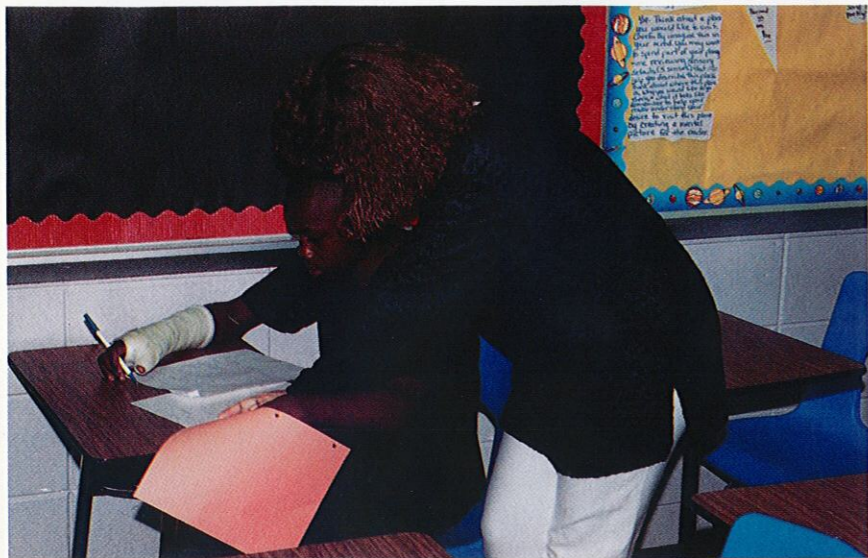

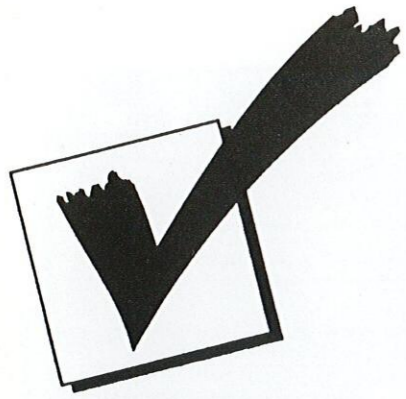

A rainy night at the Spirit of the South marching competition.

1992-93 Honor Students

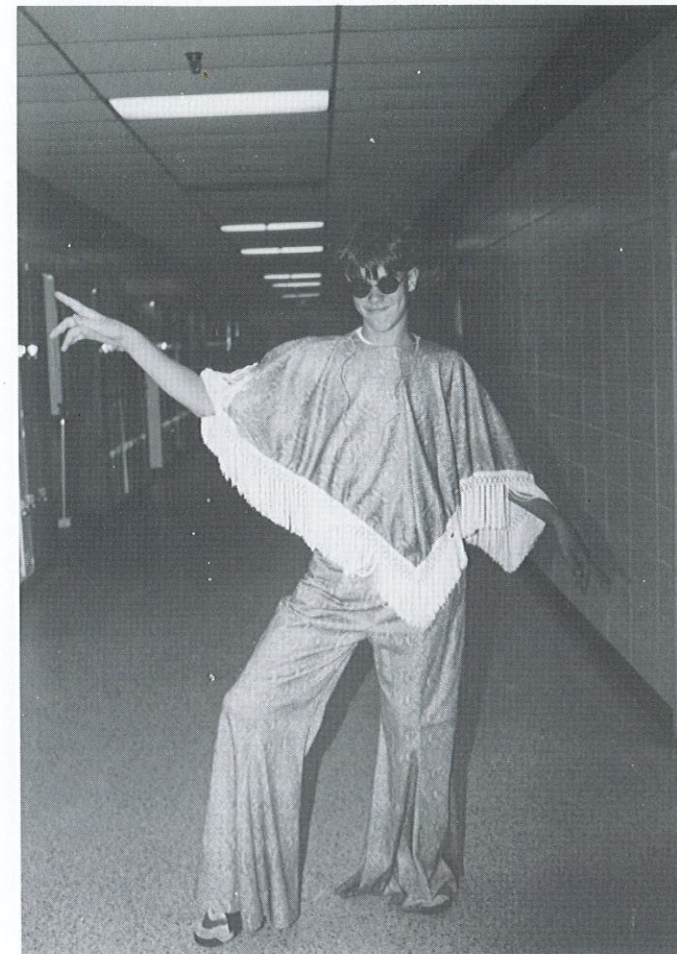

Booster Bowl Week

LET THE
GOOD TIMES
ROLL

Booster Bowl Week is a week of fun which includes camouflage day, 60's day, and the popular hat day. This week slides to an exciting finale with the Booster Bowl Pep Rally where there is lots of spirit-filled noise.

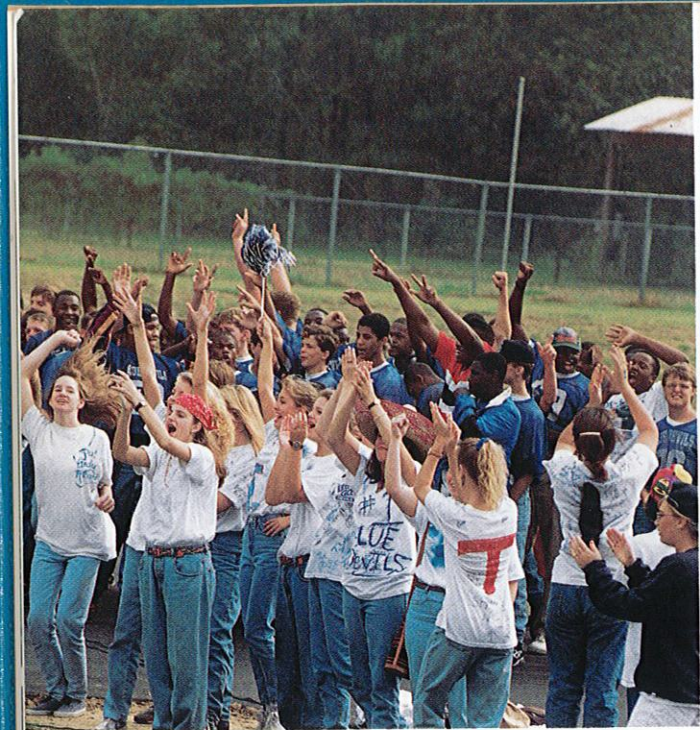

Bell bottoms and polyester—the rage of the 70's

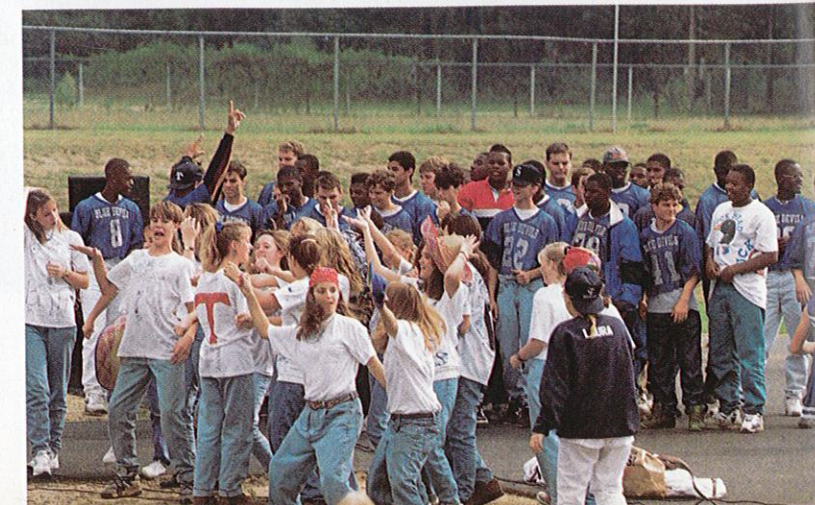

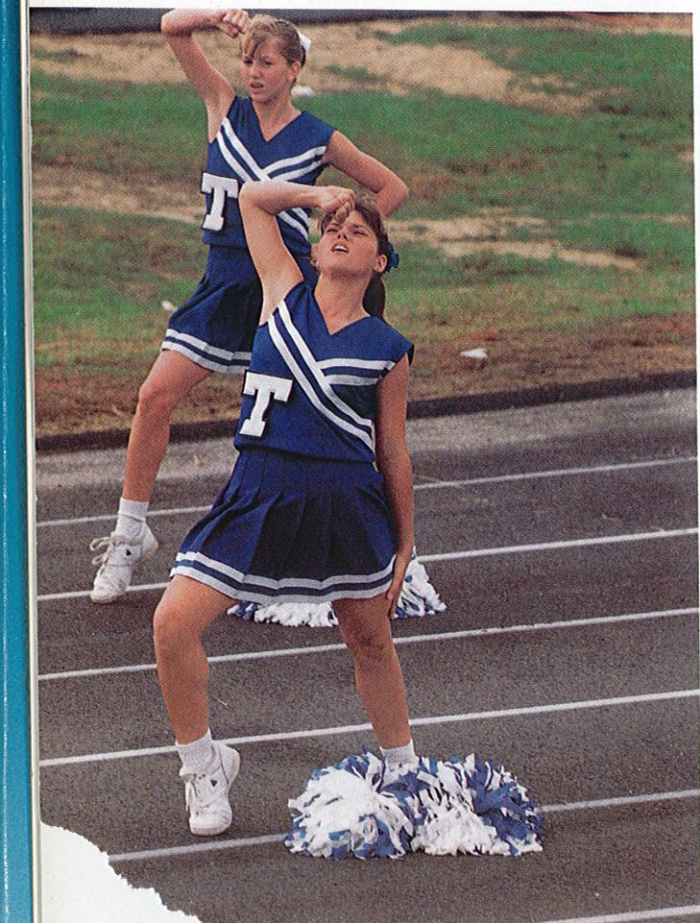

Mrs. Henderson's homeroom students are out of sight.

Beta Club members are an active part of the school and community. This year the club has sponsored a canned food drive for local charity organizations, a faculty car wash, and a Mid-West flood relief project. They have adopted shelves in the school library and will assist in keeping them orderly. At the left, students raise funds with a Valentine flower project.

The year is over; the halls are empty, but our hearts are full, for we know we have created lifelong memories.
