Victory for THS Angels.

Mr. Coleman, the Department of Education visiting Science teacher, is demonstrating the use of a Geiger counter. He finds that his watch dial gives off radiation.

Cheerleaders keep in shape.

When a student begins a new school year, he is unaware of what the year holds for him. Day by day, week by week, and month by month, he is gradually enlightened as to what a year at THS can mean. Through an invisible fog of *formaldehyde*, he is introduced to the intricacies of biology dissection. In the Latin class he struggles with irregular Latin verbs. Under the influence of Poe or Chaucer, he strives to become an efficient research theme writer. While gasping for breath in chemistry lab, he analyzes evil-smelling solutions. Throughout the year school buzzed with academic work. In the classrooms the student executed effective experiments, didactic demonstrations, helpful homework, practical projects, classroom controversies, and thought-provoking themes. He quoted quizzical questions, bore burdensome books, considered complicated charts, nursed neglected notebooks, and tackled ticklish tests in his search for success.

Miss Holder demonstrates make-up techniques to Dramatic Club.

Future Teachers give Teacher Appreciation Banquet.

SUCCESS

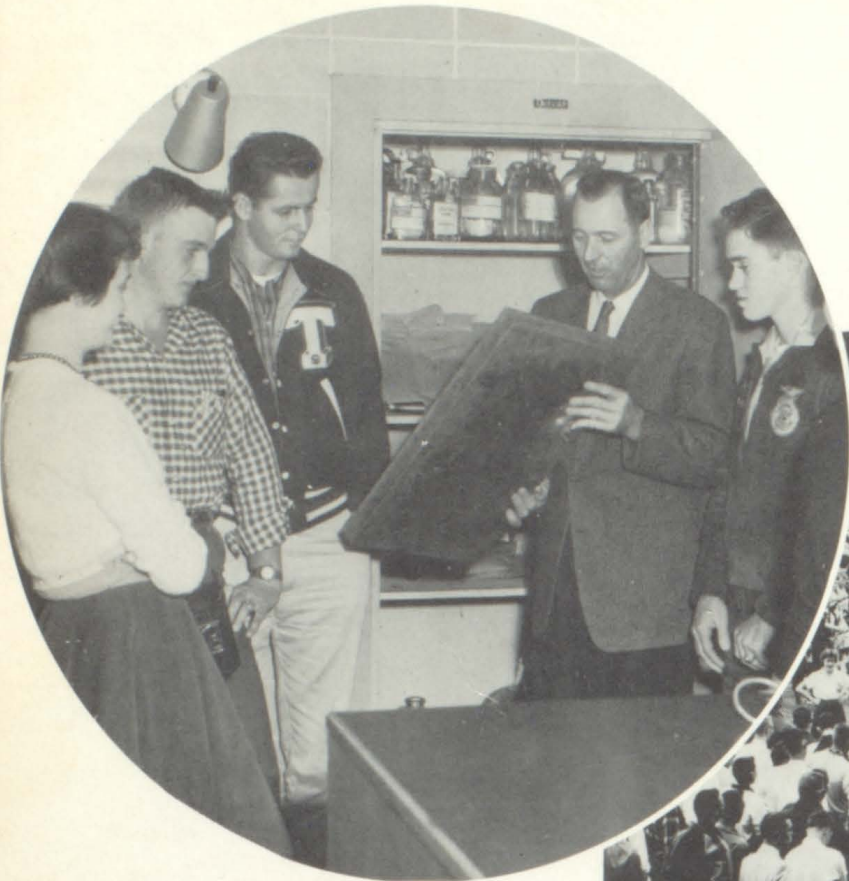

Teachers enjoy pep rally from ringside seats.

Physical Education classes in action.

THROUGH

Sociology class visits Sheriff Greer.

Pep rallies keep school spirit high.

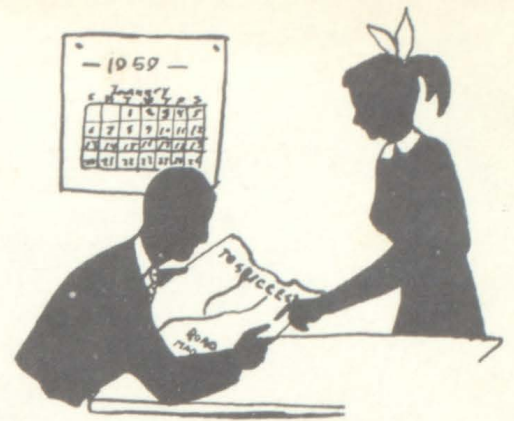

Through club activities he learns the meaning of service while working behind the scenes at dances. During the dress rehearsal of a play, which never seems to go right, he realizes the value of patience and good disposition. Friendships never mean so much as on the special band trip out of town. While at parties and picnics he is given chances to make new friends.

On the athletic field he appreciates the importance of following the coach's directions and advice. During the cycle of wins and defeats he learns that co-operation through teamwork and good sportsmanship is all-important. These extra-curricular activities are an integral part of life at THS as they add the sparkle to the studies and help to make each student a happy, healthy, and intelligent citizen.

Delicious, well-balanced meals are served to approximately 250 students daily.

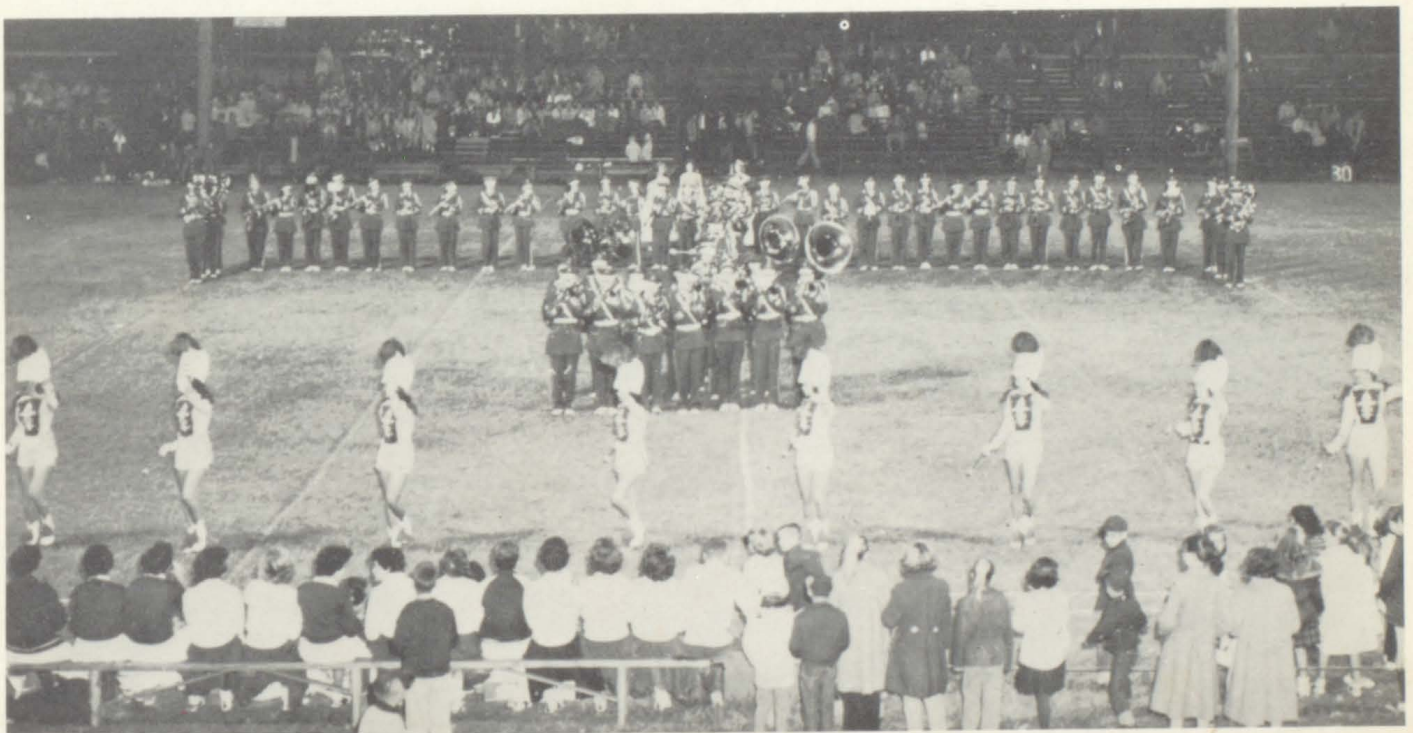

THE YEAR

Buses transport 64% of THS student body.

Students enjoy Homecoming Dance.

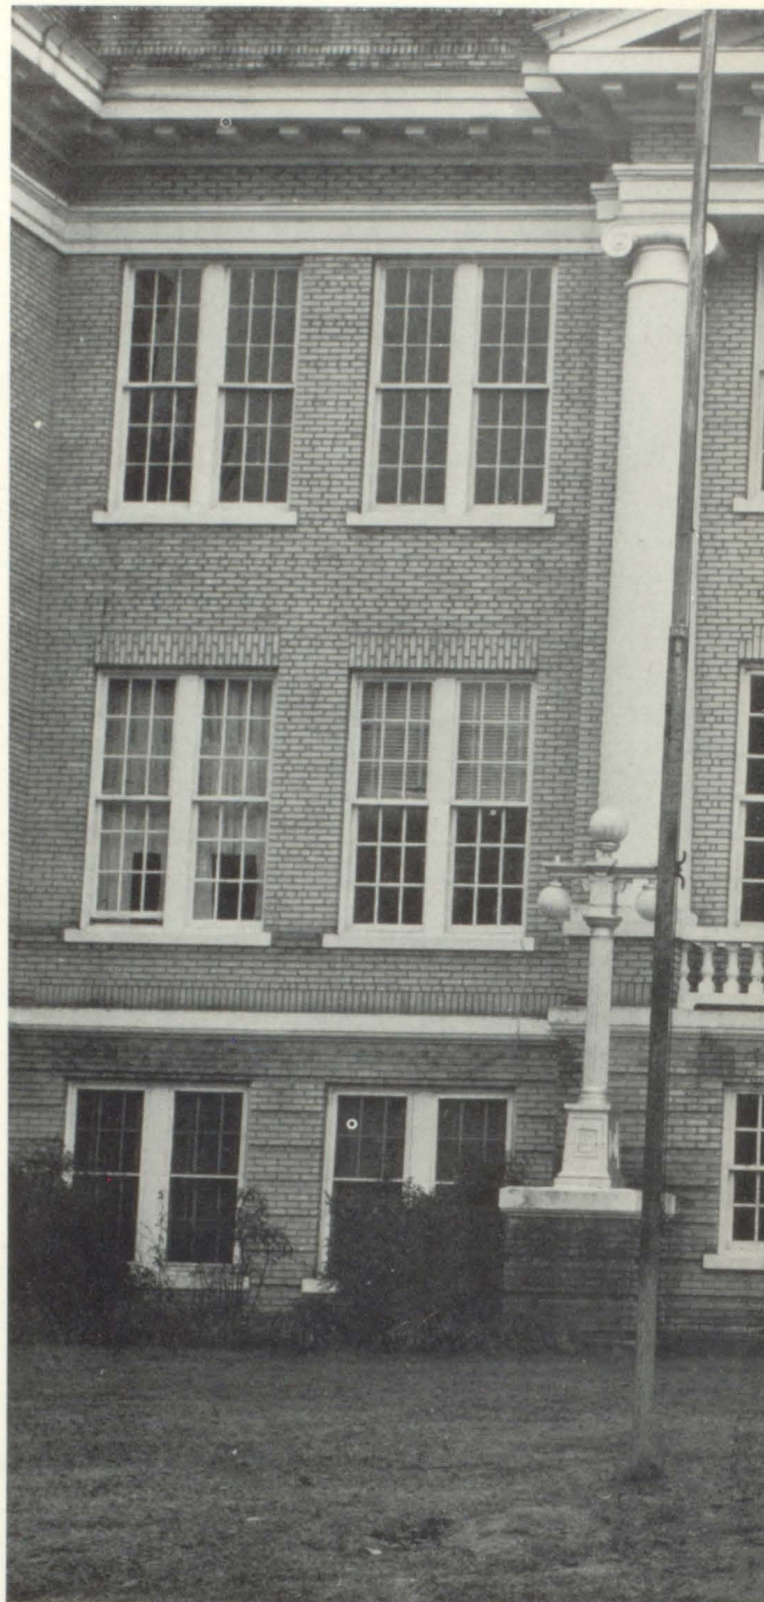

Another superb performance by the Big Blue and White Band.

Talisman

COACH FRED TUCKER

DEDICATION

A moment's time of appreciation, a thousand words of gratitude could never express the high regards that we as seniors have for Coach Fred Tucker. He has willingly dedicated his time and energy to promote the feeling of togetherness among the students and faculty of Tifton High. His friendliness and wit have brightened many an hour, and the qualities he radiates have made us better men and women.

In later years, as we look back on our high school days, many things may seem very vague and far away, but our memories of this man will always be bright and clear.

We, the graduating class of 1959, do dedicate our Talisman with love and appreciation to Coach Fred Tucker.

FOREWORD

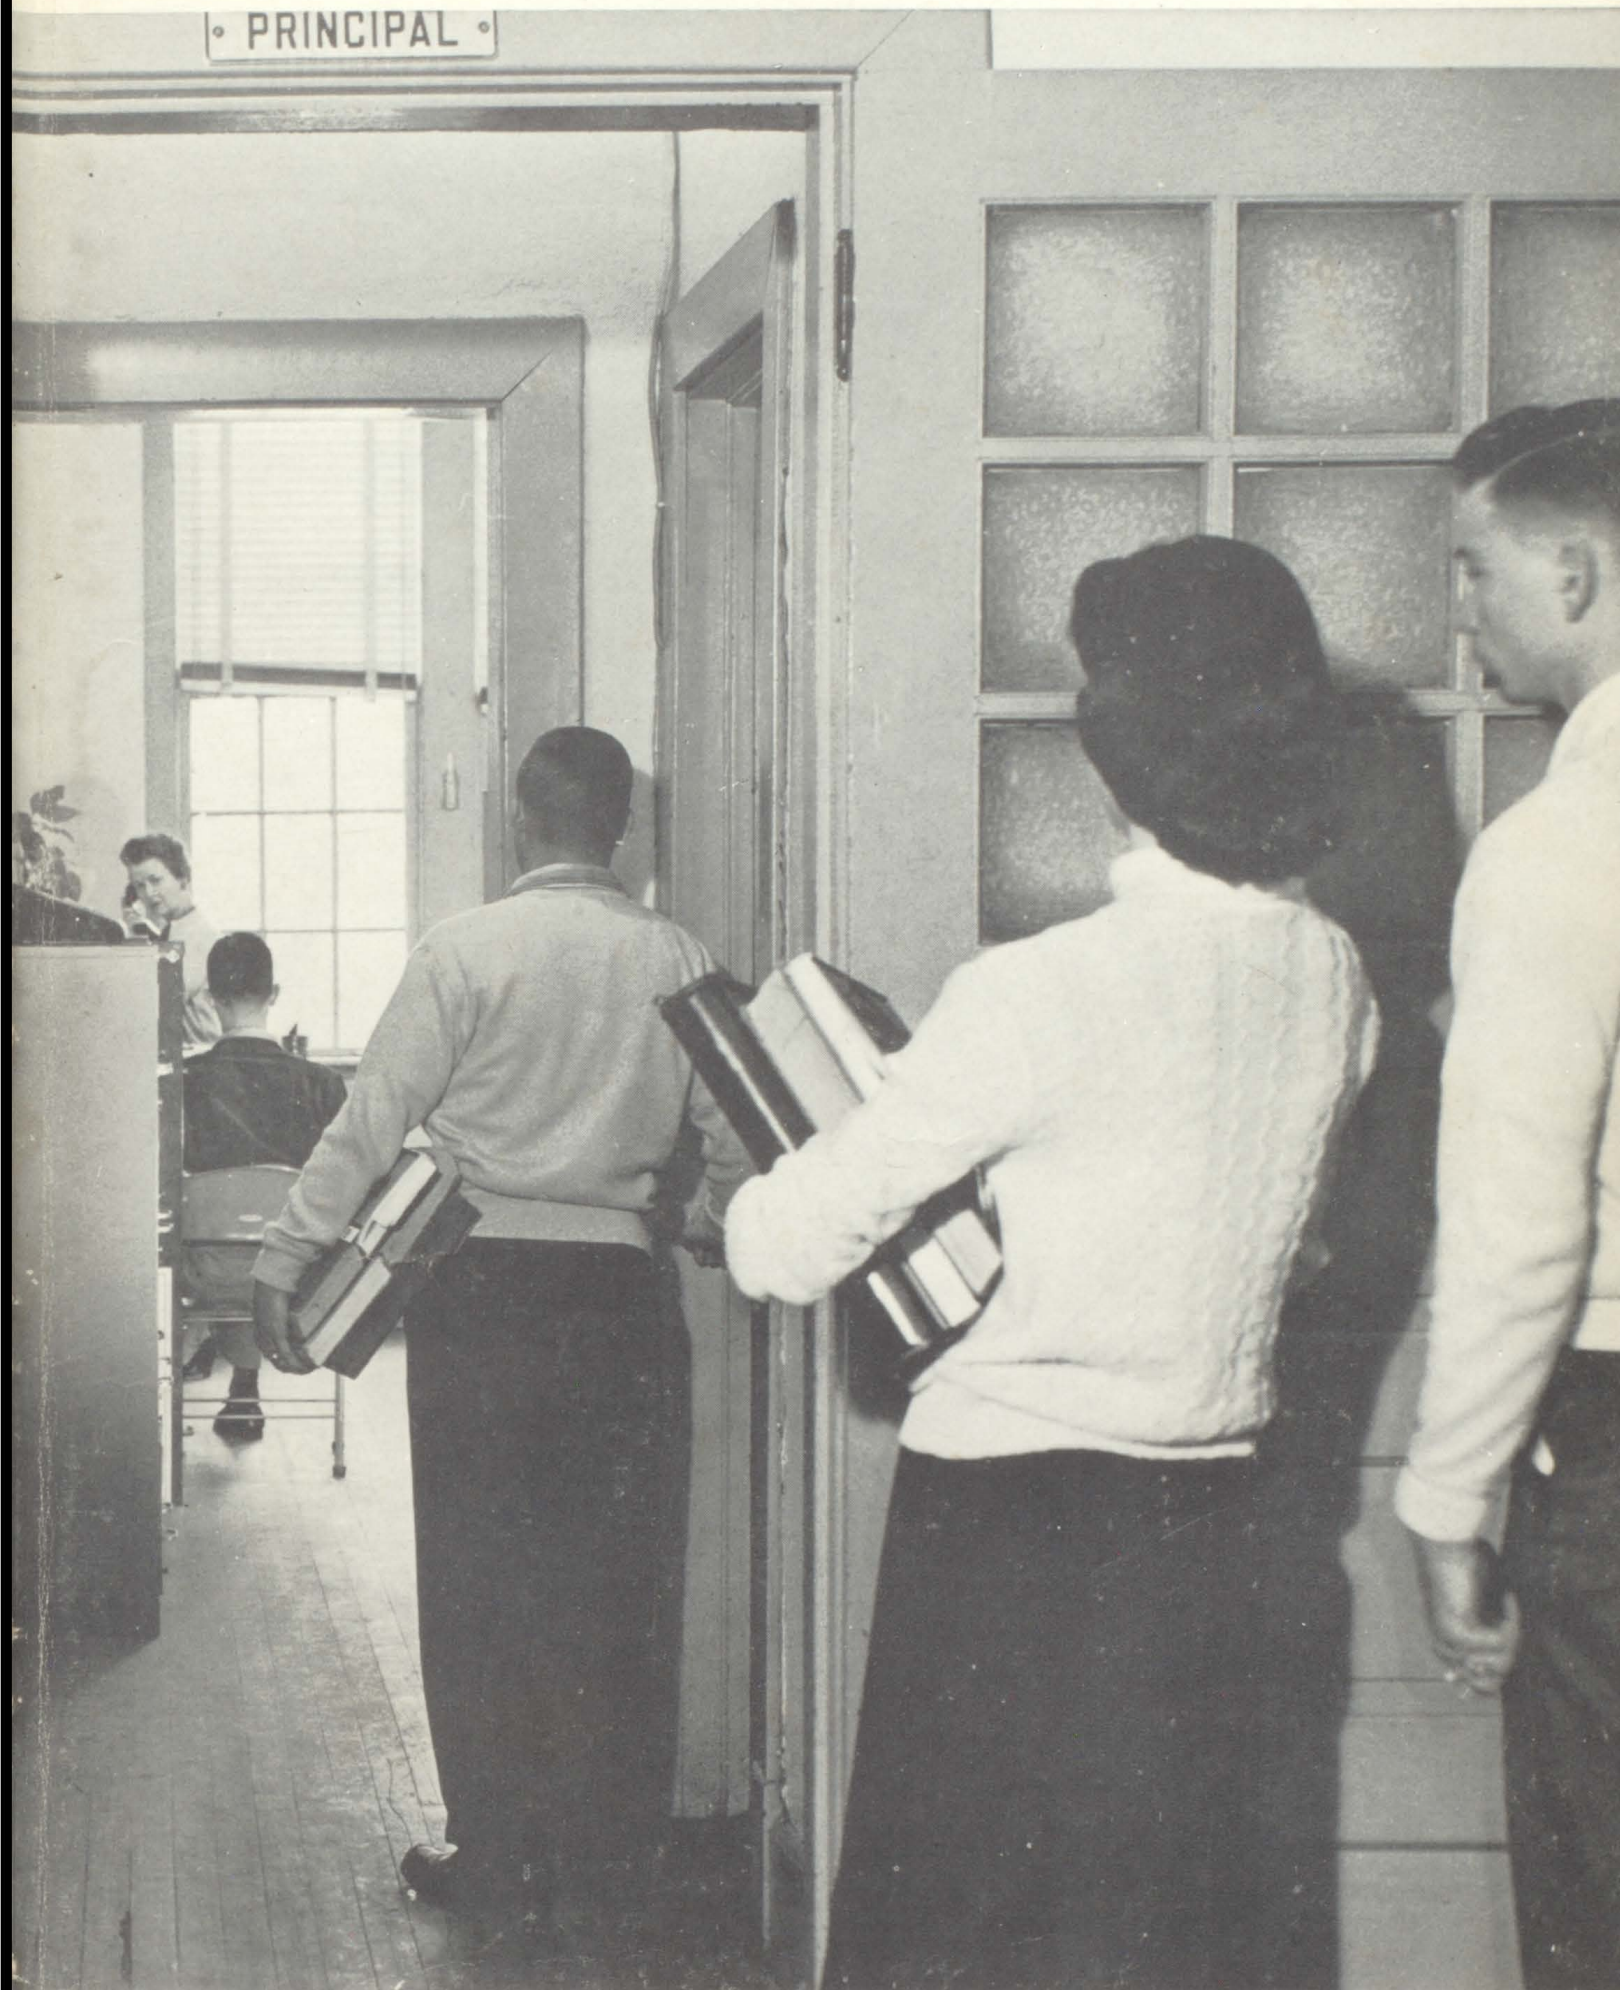

As you turn the pages of the '59 Talisman, some of you may think the job of publishing a year book is routine with each staff. . . . Actually for those who shoulder this responsibility, the task is anything but routine. Each year the new staff takes pride in putting out as attractive an annual as possible. We of the 1959 staff have worked very hard and painstakingly to record faithfully and realistically the life of our high school year. We know that as you scan these pages, you may possibly find errors, but we sincerely hope not. We also know that you will find much that will call to mind gaiety, serious moments, sad ones, hard work, and the usual pauses in school routine for relaxation and fun. All these facts of our school life are on these school pages, but there is much, too, that we cannot record—those dreams, those ideals, those long, long thoughts of youth that are a part of us all— things never expressed, but never forgotten. We hope this 1959 Talisman will always keep those memories bright. If in later years when each of us has gone his separate way and Tifton High School associations are but a part of all that is past— then if this book can serve as a realistic, tangible link of recall between that past and tomorrow, it will have served its purpose well.

That is the hope of our staff that the 1959 Talisman may have aided you along life's highway.

• PRINCIPAL •

MR. GUY TAYLOR is serving his fifth year as principal of Tifton High School.

Principal's Message

Within the Tifton High School you have many opportunities to share in experiences designed to help you gain a perspective of the challenging aspects of life. Individually and in groups you have shown varied and sometimes conflicting interests—interests which have taken your talents as well as the stamina and time of your youth. As you have responded to myriad ideas and events, it has been our

pleasure to note an overall spirit of co-operation and resourcesfulness on your part. These attributes, together with your scholastic abilities, have been and will continue to be one of the greatest assets of our school and community.

Accept, then, our challenge to continue to use your time and energy so that the investments in you, by your parents, your school and community, will be recognized by your actions as good citizens now and in the years to come.

THE TALISMAN

"Half the Talisman must be mailed by Christmas and all by February 1st!" Thus Miss Johnson greeted her "green" '59 Talisman Staff members the first day of school. During September, the wheels started turning and the gears meshing in the human machine, which would eventually turn out your '59 Talisman. To accomplish this, individual, class, and faculty pictures had to be scheduled, taken, and processed. Club pictures, copy, and layouts were assigned to all staff members. At the same time, working long hours after the school day was over, the staff canvassed the Tifton area for the financial backing on which our book was built. It set up ads, handled money from picture orders, and members working overtime realized the meaning of "meeting the deadline".

When the great day finally arrived and the book was back from the printer, the staff was proud to present the '59 Talisman in assembly.

MR. CANNON

The Student Council, under the capable leadership of President Tommy Cottle and the guidance of Mr. Julian Cannon, new Council sponsor, undertook many worthwhile projects this year. Some of these projects include: supervising student body elections, sponsoring assemblies, pep rallies, and Homecoming, and decorating for student dances.

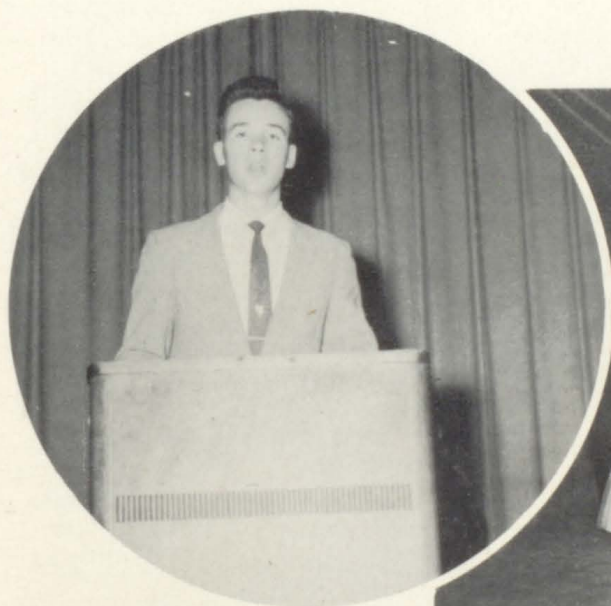

Class, club, and homeroom presidents made up the Student Council, which worked to build school unity and co-operation, to promote school spirit and loyalty, and to promote co-operation between students and teachers.

The Key Club . . . an Outstanding Organization

Membership in the Key Club is a coveted honor indeed, for each boy is selected for his potential leadership ability, character, scholarship, and willingness to work for the school, and community.

Their many projects this year included sponsoring vocational guidance, giving a Kiwanis Banquet and a Parents' Banquet, publishing more than 600 copies of the school directory, honoring the faculty and school leaders at the annual banquet, painting a school sign that was erected at the city limits, sponsoring an assembly program and supporting church attendance. This year, Reggie Gunn, president of the local club, is Lieutenant Governor of the Thirteenth District Key Club.

Every Key Clubber holds his head high as he repeats his membership pledge—

"I pledge on my honor to uphold the objects of Key Club International: to build my home, school, and community; to serve my nation and God and combat all forces which tend to undermine these institutions."

The Beta Club Sets High Standards

Beta Club membership represents scholastic perseverance, high character, and proud achievement. Only Juniors and Seniors with an overall scholastic average of 90 last year and no yearly grade less than 80 in any subject are eligible to become members. Under Miss Pullen's leadership, this year's club worked to promote worth while projects in the school and community and to instill a desire on the part of the students to advance scholastically. Money received from some of their projects, such as radio repairing, goes into a scholarship fund, to be presented to a worthy graduate in June.

On March 13th and 14th, members attended the annual Beta Club convention in Atlanta.

Throughout the year, Beta members try to demonstrate their club's motto, "Achievement, character, leadership" in every phase of school life.

Senior Tri-Hi-Y Enjoy Fun and Fellowship

In keeping with the Christian standard, which are the foundations of the club, the Sr. Tri-Hi-Y had many activities which helped other people. School projects included a "Self-Improvement Campaign" and an Honesty Campaign, Back to School posters in September to remind students that it was "round up" time again, an inspiring Christmas program.

Two of their community projects were helping to conduct the March of Dimes drive and giving a Halloween carnival at the Tift County Youth Center for underprivileged children. Other Tift Countians appreciated the Christmas and Thanksgiving baskets of food collected by the club.

Members of the Senior Tri-Hi-Y, one of the most influential clubs at THS, endeavored to "create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Senior Hi-Y Club Sets High Ideals

A club dedicated to the Christian faith and sponsored by the Y.M.C.A.—this might have been a dictionary definition of the Senior Hi-Y. Backing that phrase, however, was each member's purpose to "create, maintain, and extend, throughout the Home, School, and Community a high standard of Christian character."

Under the direction of Mr. Miller, this club supported activities for the promotion of school pride. Some of their projects include participating in the March of Dimes drive, collecting food and clothing for needy families at Thanksgiving and Christmas, sponsoring a "Keep THS clean" campaign, cleaning the trophy case, taking part in the state Y.W.C.A. week, distributing magazines at the jail and convalescent home, and sponsoring Teen Talks.

In March, four delegates attended the Youth Assembly in Atlanta, where Larry Fowler was President Pro Tem.

Junior Tri-Hi-Y Encourages Good Citizenship and Service

The Junior Tri-Hi-Y, one of the largest and most influential clubs in Tifton High School, is a Christian organization for girls in the freshman and sophomore classes. It encourages religious activities in the school and often its members give the devotional in the homerooms. Other school and community projects of this club were making favors for hospital trays on five occasions, collecting food and clothing for the needy, presenting chapel program and the Installation Service at the Program Planning Conference, sponsoring an honesty campaign and a church loyalty project, participating in Teen-Talks, holding road blocks for polio and Heart Fund Drives and sending delegates to Youth Assembly.

Junior Hi-Y Club Upholds High Standards Of Christian Character

The Junior Hi-Y is composed of boys in the sophomore class who carry out their purpose, "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character"—through their many school and community projects.

Some of their projects were a dance to raise money for World Service, posters for Homecoming, and donations for the record player of the Physical Ed department.

Dramatic Club Creates Interest in the Art of Drama

"Act well your part: there all the honor lies," could well be the motto of THS's Dramatic Club. In the short space of four weeks the club's first play, Oscar Wilde's "The Importance of Being Earnest" was whipped into shape under the able direction of Miss Holder.

"Hand me the cold cream!"

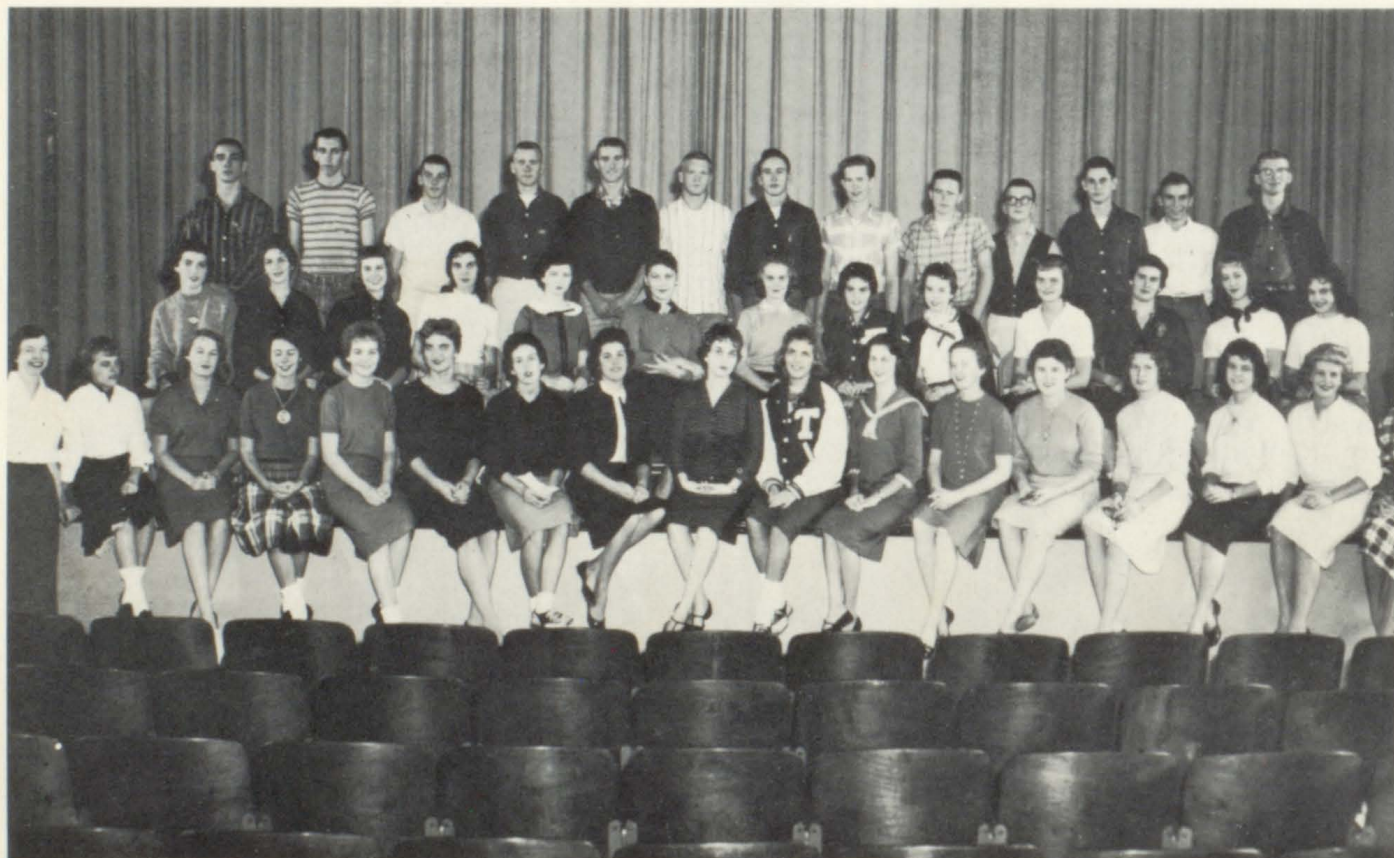

"Where's the grease paint?"

These were the familiar cries as club members

dashed to and fro preparing for their major production.

At the club's monthly meetings, programs pertaining to various aspects of dramatics, such as the study of make-up, scenery, and lighting were given. Through these programs the members gained an ever-increasing interest in dramatics. The Dramatics Club members learned the elements of play production and experienced the hard work which goes into every play production.

Future Teachers of America will Supply The Ever Growing Demand for Educators

Students today, teachers tomorrow, the members in Future Teachers of America are preparing themselves for their careers. The club, named in 1955 for Mr. G. O. Bailey, seeks to create and encourage in its members a desire to teach. One of the goals of the FTA is to cultivate the understanding, personality, and character necessary in preparing for one of the most important and interesting professions of today.

During National Education Week, they gave a "Teacher Appreciation Banquet" for the faculty. Assisting teachers, decorating the class room door with "boughs of holly" at Christmas, presenting programs in assembly and at the Tift County Education Association, awarding a scholarship to an FTA senior, and helping to build the Queen's Homecoming float, are a few of the club's many projects for the year. These members trained to be worthy of the high office of a teacher.

Future Business Leaders of America Plans for Better Business Leadership

Future Business Leaders of America is the national youth organization for high school and college students enrolled in business subjects. It is sponsored by the United Business Education Association and operates as a part of the schools program under the guidance of business teachers, school administrators, and businessmen. FBLA encourages improvement in scholarship, promotes school loyalty, and strengthens the confidence of young adults in themselves and their work.

FBLA holds a national convention annually during the month of June. State delegates, chapter representatives, contestants and chapter sponsors are in attendance. Most state chapters sponsor annual conventions. Tifton High is proud to have Harriet Vaughn, its local FBLA president, serve as State President this year.

One of the FBLA's main service projects this year was giving a box of food and clothing to a needy family at Christmas.

Library Club Aids Students

What would we have done without the library assistants! They were the students who gave one period a day to work in the school library, carrying out the duties which are essential to a well-run library. Aiding students in their use of the library was the primary purpose of the Library Club, but this service club also did clerical work in the library and repaired worn books. Everyone at THS enjoyed the eye-catching bulletin boards in the library and on third floor, another club project.

FUTURE FARMERS LEARN TO DO BY DOING

By learning to do and doing to learn, our F. F. A. boys are developing into citizens who will lead in the next generation of agricultural development.

Corn, cotton, and winter grazing contests stimulated interests among the boys in the Future Farmers of America chapter—President Harry Doss and sponsors, Mr. Grady Peele and Mr. Adolph Sanders, led the club in many special projects which included, competing in annual meetings at ABAC and competing against

other schools in mental and physical contests, building and selling F. F. A. concrete mailbox posts, entering a fair exhibit and a float in the Homecoming Parade, selling Farm Bureau cards, increasing interest in the three required projects by presenting chapter awards, and competing in livestock judging.

Perhaps one of their most well-known and memorable activities was their annual Mother-Father-Son banquet.

Front row: Mr. Peele, Advisor; Harry Doss, President; Mary Lou Greer, Sweetheart; Jimmy McBrayer, Vice President; Mr. Sanders, Advisor. Back row: Donald Massey, Reporter; Wayne Cheek, Parliamentarian; James Bishop, Parliamentarian; Rayburn Tucker, Treasurer; Billy Evans, Secretary.

TIFTON BLUE DEVILS

A year filled with
injuries, victories, defeats —

The end of the 1958-59 season found the Blue Devils in a tie with Crisp County for the 1-AA Northern Division championship. Scoring one touchdown in each of the last two quarters, the Crisp County Rebels downed the fighting Blue Devils 13-0.

Illness and injury kept the Blue Devils from duplicating past seasons' records. Under the leadership of Coaches Alvin Davis and Fred Tucker, the Devils played to a 4 win, 5 loss, and 1 tied season.

Looking at the scoreboard, the season may not seem too successful, but to the boys who played it was exceedingly worthwhile. The character, sportsmanship, and leadership they developed outshines any record on any scoreboard. We are proud of you, Blue Devils.

Andy Mason, Kenny Martin, Larry Fowler, Johnny Gleaton, Mac Wilder, Franklin Johnson, Larry Whitten, Jimmy Rainwater bid adieu to Blue Devil football at the end of the season.

COACHES—Coaches Alvin Davis and Fred Tucker pause after a long practice.

TIFTON 6

COOK CO. 31

It took the Cook County Hornets several years to hang a defeat on the THS Blue Devils. Tifton not only lost this game, but they had a setback when the quarterback Wayne Cooper was sidelined with a dislocated elbow. Tifton fullback Tommy Carmichael bowled over the goal line from the two yard line in the fourth quarter to score the only Tifton touchdown in the game. Tifton was in possession when the whistle blew that ended the game with a score of 31-6.

TIFTON 7

BAINBRIDGE 19

Tifton was defeated by the Bainbridge Bearcats in a hard fought ball game. Even with several spectacular plays, Tifton could not hold her own. Several pass attempts were intercepted. One was intercepted during the final minutes of the game and resulted in a final touchdown by Bainbridge.

Jimmy Rainwater carried the pigskin over the goal line to back up Buddy Dukes' eighty yard run to give Tifton its one touchdown. Wayne Cooper booted the extra point.

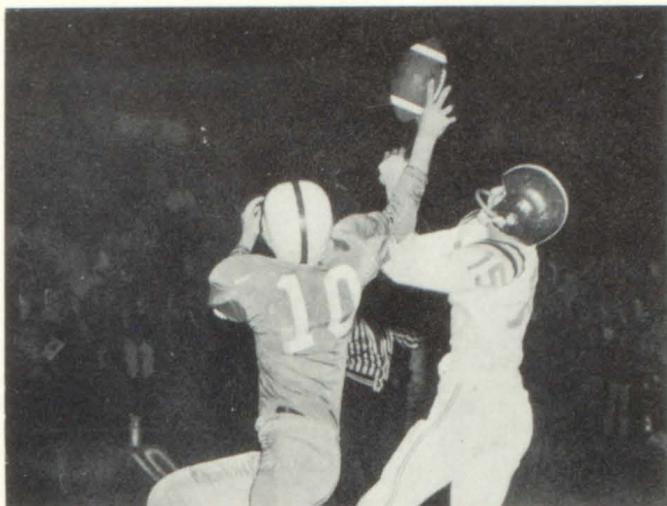

Jackie Tucker gains 10 yards in first quarter before being brought down by rugged Cook High defense.

Americus's one scoring threat of the evening came to naught as Tifton held after the Panthers got a first down on the nine yard line.

TIFTON 18

WARNER ROBINS 6

The THS Blue Devils made an auspicious debut for the 1958 season as they picked up a touchdown in each of the first 3 quarters and coasted into a comparatively easy victory over the Warner Robins High Demons 18-6.

TIFTON 0

THOMASVILLE 27

The THS Blue Devils played their hearts out to hold a relentless Thomasville High Bulldog squad in a hard-fought first quarter before giving up a touchdown in the second and third quarters and two in the final period to come out on the short end of a 27-0 score.

The Blue Devils did a splendid job in the face of insurmountable difficulties.

Carmichael scores against Warner Robins as Whitten blocks.

TIFTON 8

IRWIN CO. 0

The THS Blue Devils rolled to another conference victory in their opener at home Friday Night in Tifton High Stadium, September 19, defeating a rugged Irwin County Indian squad 8-0 in a hard fought battle. A second period safety and a third period touchdown sewed up the win for the hustling Blue Devils.

TIFTON 0

CAIRO 31

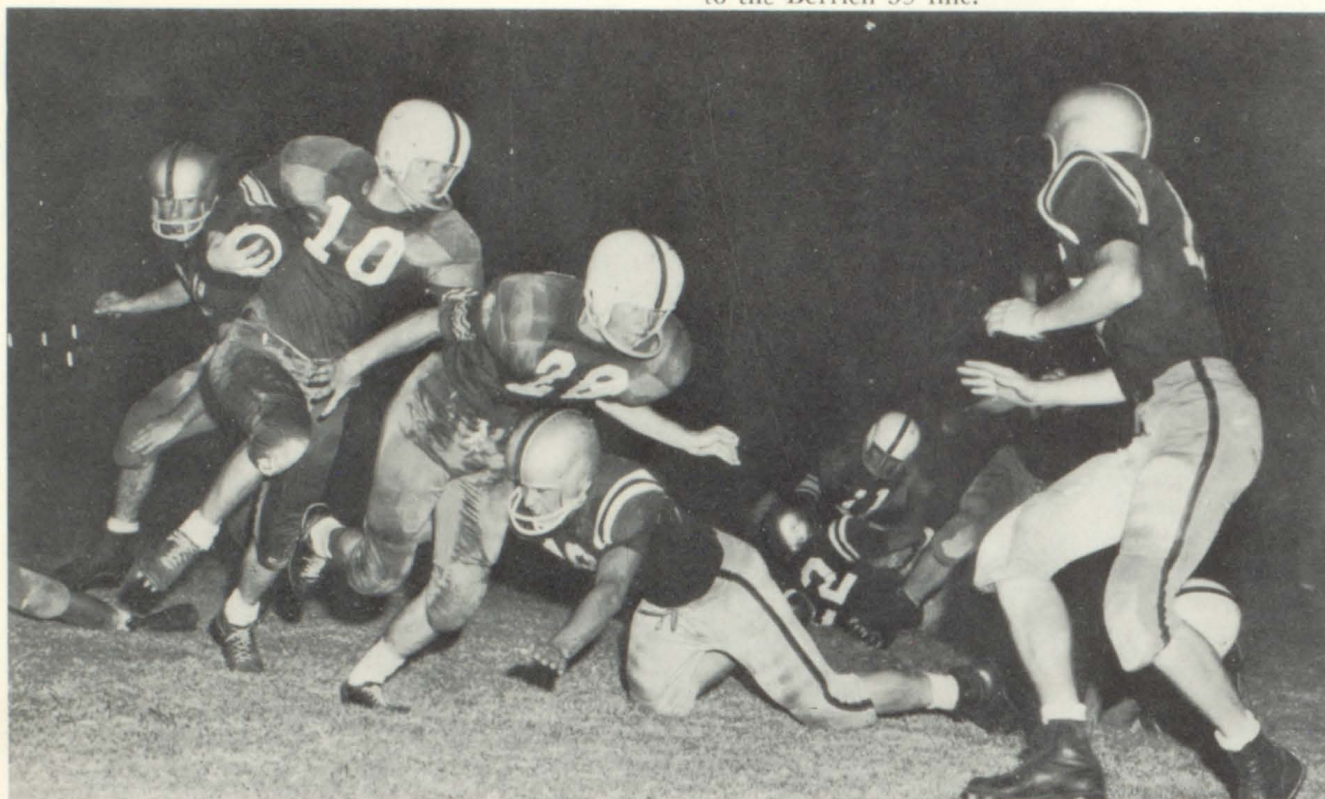

A gallant, but outmanned Tifton High Blue Devil crew went down to a 31-0 defeat at the hands of the Cairo Syrupmakers in the Syrup Bowl at Cairo, Friday night, October 31. It was the eighth win in a row for powerladen Syrupmakers. Twice the Blue Devils broke through in the second period to block extra-kick efforts and once a punt attempt was blocked to give them their best scoring opportunity.

Bruce carries the ball.

TIFTON 14**CRISP CO. 14**

The Tifton High Blue Devils played inspired ball to hold the vaunted Crisp County High Rebels to a 14-14 tie in a Region 1-AA classic.

Wayne Cooper picks up four yards against Irwin County.

A handkerchief on play against Cordele.

TIFTON 13**BERRIEN CO. 28**

With fine running and passing, Berrien County defeated the Blue Devils 28-13. The Blue Devils scored their second touchdown in the 3rd period as Carmichael made a spectacular 33 yard kick return to the Berrien 35 line.

TIFTON 24**JENKINS 0**

The THS Blue Devils bound up their wounds, bolstered their defenses, which were battered by three losses in a row, and found the correct combination to touchdown alley as they ran up a convincing 24-0 score on an outclassed Jenkins High of Savannah team in Tifton Stadium, October 17. The game was far from being a one-man show as the Blue Devils swarmed over the Warriors to hold them to a lone first down and only 46 yards total gains during the evening.

Jimmy Rainwater digs in, trying to stop the runner short of three touchdowns.

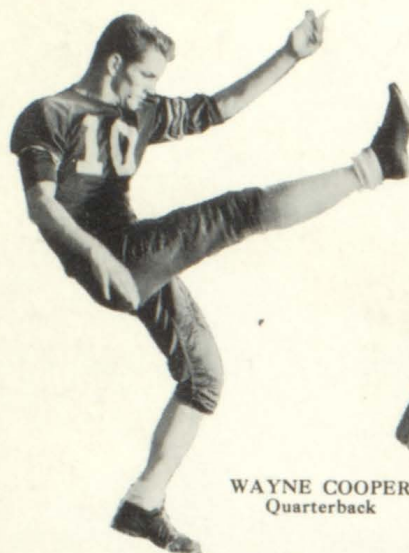

Buddy Dukes carries the ball back 25 yards after taking the kick following Crisp's second touch down.

The Tifton High School Big Blue and White Band was organized in the fall of 1938 under the leadership of its present director, Mr. Len Lastinger. It has steadily grown from a membership of eighteen to its present strength of ninety-four. The band has consistently rated superior in the various district and state music festivals. It performs at all home and out of town football games for the Tifton High School, as well as in numerous parades throughout Georgia and Florida. The band has once participated in the Gasparilla Festival in Tampa, Florida; twice in the Gator Bowl Parade in Jacksonville, Florida; and twice in the Orange Bowl Parade in Miami, Florida. Some of the former members of this band now have their own bands within the state.

"Ya'll yell!! Louder!!" Yes, you guessed it—these are the familiar cries of our energetic, high-spirited cheerleaders—Captain Lylla Crum, Captain Mary Jean Taylor, Nell Tabor, Patricia Lawhorne, Jody Bohannon, Becky Key, Jane Fullerton, Jane Maloy, Faye Norman, and Brenda Wells. Mrs. Warren, advisor to the cheerleaders, is always ready to instruct the girls and give them the help that they need.

Rain or shine, sleet or snow, the cheerleaders are faithful every inch of the way. Whether the team wins the victor's claim or must accept a loss after a hard fight, the cheerleaders keep the spirit of the team and the students high.

Day at Tifton High

Assembly began the festivities of the 1958-59 Homecoming—The wishes of Jane Harrell were granted by the wishing well as it brought from the past former students, cheerleaders, football players, and the Charleston.

A pep rally and parade climaxed the school day. Decorated cars, beautiful floats, rhythmic band music, and the cheerleaders clad in blue and white bermudas riding gaily festooned bicycles kept the Blue Devil Spirit high.

Eight o'clock and it was kick-off time—As the football sponsors and captains marched off the field, the stands filled with Blue Devils, yelled their team on to VICTORY over Americus.

With Tifton leading, the halftime activities got under way with the Blue and White Band playing "Oh, You Beautiful Doll." The majorettes formed a gate that swung to and fro as the queen and each of her attendants were presented to the stands.

Victory and the Blue Devils were off to the dance and crowning of Queen Harriet. A perfect end for a perfect day.

1958 Junior - Senior Has Original Theme

Mardi Gras celebration in the heart of old New Orleans with all its color, gaiety, laughter, and music was the scene of the 1958 Junior-Senior. Gay couples entered the ballroom through the gigantic clown face placed over the gym door.

The chandeliers in the red, gold, and purple ceiling of crepe paper streamers turned the ordinary gym into a festival. The music of Bodie Chitty, the costumed figures on the walls, and the mural scenes of New Orleans added to the Mardi Gras atmosphere. The highlight of the evening was the coronation by Jerry Stone of Marianna Girtman and Fred Hill as King and Queen of the Mardi Gras. Nellie, Sara, Mike, Samuel, Tommy, and the tumbling team provided amusing entertainment.

As the orchestra played the last strains of music, another Junior-Senior was pronounced a big success.
