Mid-Year Assessments

We are nearing the completion of our mid-year assessments in language arts and math. This is the time of the year that we take a look at the academic progress from the beginning of the year. The kids and teachers have done a great job of putting in their best effort. Teachers will be using this information to better inform their instruction and helping the students progress.

Candy Bingo and Bowling Day!

Thank you to the PTA for sponsoring two events this week to provide the opportunities for families to get out amongst friends. Candy Bingo will be held this Thursday in the All Purpose Room at 5:30. On Saturday, they will be having Fireball Bingo at Oakwood Lanes. Thank you PTA for providing these opportunities!
