Light Up the World With Kindness - Handmade Cards for the Elderly
Thanks Student Council!
Student Council is pairing with several schools in the Light Up the World With Kindness project which brings happiness to elderly residents in nursing facilities in Warren County. The project brings handwritten messages to "light up" a senior's day! All students are asked to make handmade holiday cards at home and then drop them off at the "Light Up the World With Kindness" box located in the front lobby at school! Thanks Student Council and Jen Fischer.
