WARRIOR MONTHLY

THE OFFICIAL NEWSLETTER OF HOUMA CHRISTIAN SCHOOL

FROM THE DESK OF MR. ORGERON

Dear Warrior Families,

As we enter the month of November, I am filled with gratitude and excitement for all that God is doing at Houma Christian School. Growth is happening at HCS, and we are looking forward to the wonderful opportunities ahead for our students and families!

One of the most exciting developments is our anticipated expansion of our early childhood program for the 2027–2028 school year. We are preparing to introduce a brand-new PreK3 program and add an additional PreK4 classroom! This growth reflects our commitment to providing a strong, Christ-centered educational foundation for our youngest Warriors. We are excited to welcome even more families into our Warrior community!

We are also thrilled about the upcoming launch of our HCS App through Apptegy, an exciting step forward in strengthening communication and connection within our school community. The app will feature Rooms and direct messaging, allowing parents and teachers to communicate more efficiently while keeping families informed about classroom activities, school events, and important announcements. Our goal is to create a more connected Warrior Family by making school communication easier and more accessible than ever.

For more information about these exciting developments, please visit our school website or contact carrie_walker@houmachristianschool.com.

As we celebrate this season of thanksgiving, I want to express my sincere appreciation to our families, faculty, and staff. Your continued support, prayers, and dedication make Houma Christian School such a special place.

Our future is bright, our mission remains strong, and the Warrior Family continues to grow!

Blessings,

Mr. Bubba Orgeron
