LETTER TO FAMILIES

Dear Parents & Guardians:

Operation Warm is a nonprofit organization that provides brand-new essential apparel to children. This year, we are excited to provide a new resource to students at Cridersville Elementary School with the generous support of our friends at Honda USA Foundation.

Each participating student will receive a brand-new winter coat completely free of charge during our gifting event at Cridersville Elementary School on November 19, 2026.

We are grateful to partner with your school and Honda USA Foundation to share this resource with students and families.

Warmest Regards,

Operation Warm
