Oasis Academy College Prep Mission Statement: *Improving Lives Through Opportunity*
ACCREDITATION*: Cognia Accreditation - NCA CASI - NWAC - SACS CASI*

THE SCHOOL AND THE COMMUNITY

Fallon is a small rural town located in Churchill County, Nevada. The population of Fallon was 9,499 at the time of the census. Fallon is the county seat of Churchill County and is located in the Lahontan Valley. It is surrounded by farms, ranches, and the Lahontan Valley Wetlands. Fallon offers the outdoors, the arts, shops, and a menu of special events year-round, including a summer farmer's market and the Hearts of Gold Cantaloupe Festival. The Navy TOP GUN School is located here and is a primary employer. Oasis Academy is a K-12 school educating approximately 850 students in the 2025-2026 school year, which is approximately 15% of the county's total student population. The school opened in 2011 with 180 K-8 students; in 2014 the school doubled in size to 360 K-8 students; finally, in 2015 we opened our high school. Since its opening Oasis Academy high school has been a **5 Star Reward School**. Oasis Academy high school operates as an "opportunity culture" school, attempting to maximize the amount of time students spend with master teachers. There is a strong focus on positive behavior support through our H.E.R.D matrix- Honesty, Empathy, Respect. This tier one support guides our climate and culture.

THE ACADEMIC PROGRAM 9-12 DUAL ENROLLMENT

Designed to motivate and challenge all students, the academic program at Oasis Academy College Prep is driven by equity and the highest possible learning expectations for students. Oasis Academy College Prep (OACP) is the first rural public charter high school in the state of Nevada. OACP earned accreditation from AdvanceEd- Cognia in May of 2018. OACP High School opened its doors in the Fall of 2015. The academic program consists of 9th and 10th-grade students taking rigorous college prep courses which are 70-minute blocks. All 9th - 12th-grade students attend the Jump Start dual credit program at Western Nevada College (WNC). The tuition and books for these students are funded 100% by OACP. All of these students have the potential to earn an Associate of Arts or Science degree and Career and Technology Education certificates upon high school graduation.

PERSONALIZED LEARNING EXPERIENCES AND STUDENT SUPPORT

Oasis Academy serves a diverse rural student body from Fallon and nearby agricultural communities, including many first-generation college students. From grade 9, counselors and an academic advisor provide college and career guidance, with targeted support for AA/AS degrees, CTE pathways, and military enlistment. OACP's priority is the high school diploma; most students also earn college credits or an associate degree that transfers to a bachelor's program. OACP pays 100% of tuition and textbooks and creates individualized plans. The JUMP START option lets students earn a high school diploma and an associate degree from WNC by taking four to five college classes per semester in junior and senior years. This pathway suits students aiming for an associate degree or transfer, those seeking rigorous academics, and students preparing for military careers who can enter at a higher rank and receive larger enlistment bonuses.
