Scholarships Available to the Class of 2027

A note from Mrs Graf,

Please be aware of scholarship scam websites if searching for scholarships on your own. Some websites ask you to pay for a list of scholarships - DO NOT pay for a list. This is a scam. Scholarship applications are free of charge. Students are also encouraged to search for scholarships at the school they will be attending on their college website. Scholarships at the college level are often due before ours, so please check in with your college sooner than later. Please also see Mrs. Graf if you would like help with your FAFSA application when applying for student financial aid.

Email me or stop in if you have any questions or want any help, cgraf@winterwarriors.org
