Subject: 2025-2026 Proposed Budget Transfer Request

Connection to Milford Public Schools Commitments: **Commitment #9:** We are committed to operational excellence that ensures Milford Public Schools invests in the newest and most advanced practices to ensure relevant and progressive educational opportunities for all students.

Background:

As has been previously reported to the Board, we project that we will have significant deficits in certain accounts. Administration has taken prudent, cost-saving measures to curtail spending where possible and freeze other accounts to offset the deficits. It is now necessary to make appropriate transfers to adjust accounts and ensure a balanced budget for the end of the fiscal year. The attached document represents the first phase of the transfers for the 2025-2026 school year. There will be a final transfer request at the July meeting to balance and finalize the 2025-2026 budget.

Status: Attached are the recommended transfers along with the explanation for each.

RECOMMENDATION: That the Milford Board of Education approves the administration's recommended 2025 - 2026 Budget Transfers as presented.

I. CALL TO ORDER

Ms. Glennon called the board meeting to order at 7:00 p.m. at the Milford City Hall. By a roll call, eight Board members were present. Mr. Scobie arrived at the meeting at 7:40 p.m.

**II. STUDENT RECOGNITION - CONNECTICUT ASSOCIATION OF BOARDS OF EDUCATION
STUDENT LEADERSHIP AWARDS**

Dr. Cutaia recognized ten students with the Connecticut Association of Boards of Education (CABE) Award. The CABE Student Leadership Award allows local boards to recognize students for their achievements and potential. The following students were recognized:

Sophia Plonsky - East Shore Middle School
Jordan Kanhai-Schuld - East Shore Middle School
Violet Laird - Harborside Middle School
Nathan Peters - Harborside Middle School
Shathvick Ramkumar - West Shore Middle School
Gianna Morant - West Shore Middle School
David Guery - Jonathan Law High School
Kayla Markowitz - Jonathan Law High School
Joseph Kerzner - Joseph A. Foran High School
Shea Pangu - Joseph A. Foran High School

III. STUDENT REPORTS

The Board heard final reports from the current student liaisons. Layla Algona and Marcus Townes provided updates on the closing academic and athletic cycles at Jonathan Law High School. Joseph Kerzner provided the report for Joseph A. Foran High School. The Board thanked the students for their service throughout the

UNAPPROVED

academic year. They introduced next year's liaisons. Sam Matist and Mario Castro will be the liaisons for Jonathan Law High School, and Kushvir Saini and Jada Frias will be the liaisons for Joseph A. Foran.

IV. PUBLIC COMMENT

Neil Brysiewicz – 74 Overhill Road – As a Calf Pen Meadow parent, he thanked the Board for their work in putting the plan together and expressed his preference for a strategy that prioritized the middle schools first.

Kerry Harrison – 110 Wilcox Road – She spoke in opposition to the potential closure of Calf Pen Meadow, stating that she does not want the district to lose its small-town character. She advocated for the expansion of preschool programming and the preservation of small school communities.

V. CHAIR'S REPORT

Ms. Glennon said it was Teacher Appreciation Month, and she was grateful for all their hard work and expressed how important they are to the school community.

VI. SUPERINTENDENT'S REPORT

Talent Management and Development Report

Ms. Kopazna presented the TMD Report for April. Included in the report were the personnel changes, job postings, stipends, retirements, resignations, and terminations. She answered questions from the Board.

Disbursement Report

Mr. Brennan presented the Disbursement Report for April and answered questions from the Board.

VII. LONG RANGE FACILITIES MASTER PLAN

Presentation and Discussion

Ms. Glennon opened the discussion by providing a historical overview of the district's various building models and organizational structures. She observed that while Milford Public Schools has undergone several reorganizations in the past, the current initiative represents the most comprehensive and thoughtful study the district has ever undertaken and creates a written plan. She emphasized that the document serves as a strategic roadmap rather than a final commitment of resources, noting that no funding is currently attached to the plan. Any specific capital projects arising from this master plan will require independent approval and funding from the City.

Mr. Patrick Davis, representing Perkins Eastman, provided a recap of the draft recommendations regarding the sequencing and implementation of the master plan. His presentation included modifications requested during the previous Board meeting on April 27 (Presentation on file).

The Board discussed how it will be required to revisit the plan annually as part of the Capital Improvement Plan process, which is a 5 year snapshot of the district's facility needs. Projects will be considered individually allowing for planning and specialized design for each specific school project. Dr. Cutaia noted that while the physical transformation of moving from 1950s-era facilities to modern 2026 standards is "energizing," it remains the people within the buildings who define the school community.

UNAPPROVED

Additional dialogue focused on enrollment trends and redistricting. The Board examined how these factors would influence the temporary use of portable classrooms and the overall timing of renovations. It was reiterated that the plan is a living document intended to be adjusted as the needs of the district evolve over time.

Board members also agreed that they wanted children to experience redistricting only once.

The Board took a recess at 9:50 p.m. and reconvened at 10:19 p.m.

Public Comment on Long Range Facilities Master Plan

Barbara Donnelly – 52 Meadowside Road – She stated she understands the plan serves as a foundation, but noted its recent development and suggested it would make sense for the Board to delay to allow for further consideration. She expressed appreciation for the Board's work and a desire to be a partner in the process, though she believes a better plan could be developed.

Amanda Clarke – 58 Canterbury Lane – She expressed concern regarding students attending school in active construction zones and advocated against closing any elementary schools until project funding is fully secured.

Neil Brysiewicz – 74 Overhill Road – He expressed concerns regarding the equity of the plan, noting that because the Board of Aldermen must approve the funding, some students might be left in older buildings while others receive new facilities. He also raised security concerns regarding the use of portable classrooms and questioned how they would be secured.

Brad Richards – 7 Pearson Avenue – He noted his professional background and characterized the proposal as essential strategic planning. He stated that while specific details will need to be addressed later, he appreciates the work completed thus far, noting that it will be more expensive to maintain aging buildings than to move forward.

Steven Ringwald – 133 Meadowside Road – He shared his perspective that the plan may not yet be ready to proceed.

Kristin Mascia – 40 Wilbar Avenue – She expressed appreciation for the Board's efforts but stated that the plan feels unwieldy, specifically because funding for all projects within the plan is not guaranteed.

Long Range Facilities Master Plan (ACTION REQUESTED)

Ms. Doyle made a motion to adopt the Long Range Facilities Master Plan Scenario A as presented. Ms. Tedros seconded the motion. Ms. Glennon called for discussion.

Mr. Scobie stated his desire to find a path forward that offers the best possible plan with the fewest sacrifices. He emphasized that he is keeping the entirety of Milford in mind while evaluating the proposal.

Ms. Doyle acknowledged the difficulty of the decision, given the large volume of information presented. She stated the ultimate goal is to provide six equitable elementary schools, two middle schools, and two high schools. She noted that while there is no perfect solution, she encourages community members to remain engaged throughout the process.

UNAPPROVED

Ms. Edmonds stated that she does not believe this plan is in the best interest of the students, citing the prospect of four years of construction and the use of portable classrooms. She indicated she would be voting no.

Ms. Flowers remarked on the gravity of the decision due to its impact on the student body. She expressed apprehension regarding future funding, but stated that the process must begin regardless. She indicated she would be voting yes.

Ms. Brown shared that, having lived in Milford her entire life, the school halls look much the same as they did when she was a student. She suggested that if this process had been started years ago, the district would be in a different position today. While acknowledging that no plan will satisfy everyone, she stated the importance of moving forward now.

Mr. Koba stated that the Board must act on all of the data and information that is available to them. He indicated he would vote yes, noting that while funding is not guaranteed, the district cannot afford further delays. He emphasized that each building would be treated as a separate project, allowing the district to move forward and adjust as necessary.

Ms. Glennon said she believes the plan is a strong foundation to move the district forward. She noted that some of the modifications made were offered by members of the community. She emphasized that the relationships built between teachers and students are what truly matter and expressed her faith that City leaders will understand and support the necessity of this plan.

Ms. Glennon called for a vote. It was not unanimous, so she called for a roll call vote. The motion passed, 7-2 (yes - Brown, Doyle, Flowers, Koba, Tedros, Wilhelm, Glennon. No- Edmonds, Scobie)

I. CALL TO ORDER

Ms. Glennon called the board meeting to order at 7:02 p.m. at the Parsons Government Center Board Room. By a roll call, eight Board members were present.

II. 2027 - 2031 Capital Improvement Plan

Mr. Brennan reviewed the 2027-2031 Capital Improvement Plan (CIP), explaining how the process works and what is proposed to be included in it – funding requests for the continuation of several ongoing, phased projects, including district-wide HVAC/ventilation/boiler replacements, asbestos abatement and flooring tile replacements, pool replacement, and parking lot repairs. Additionally, this CIP requests initial architectural and engineering (A&E) design fees to construct new elementary schools on the current JFK and Live Oaks Elementary School sites, as reflected by the Board in the recently adopted Long Range Facilities Master Plan. Mr. Brennan and Dr. Cutaia answered questions from the Board.

The Board and Administration amended the CIP to add West Shore - New Construction - Architectural and Engineering Design Phase in 2028-29 for \$3 million, West Shore - New Construction - Construction Phase in 2029-30 for \$126 million, and East Shore - New Construction - Architectural and Engineering Design Phase in 2030-31 for \$3 million.

Ms. Doyle motioned that the Board of Education approve the 2027-2031 Capital Improvement Plan as amended with recommendations by the administration and forward the plan to the Mayor for consideration and funding. Ms. Tedros seconded.

Mr. Scobie motioned to make an amendment to the amended CIP, adding Various schools - Install Air Conditioning for \$1 million each in 2027-28 and 2028-29. Ms. Tedros seconded. The amendment carried unanimously.

UNAPPROVED

The amended motion then carried unanimously.

III. Discussion of Ed Specifications for Jonathan Law and Joseph A. Foran High School Esports

Mr. Brennan reviewed the Ed Specifications for the Jonathan Law High School and Foran High School Esports Arenas. He explained that the Board of Education's approval of the Educational Specifications for the Esports Arena Projects at both schools is a requirement necessary to start the application process for reimbursement from the State of Connecticut Department of Administrative Services. Mr. Brennan, Dr. Cutaia and Mr. Autieri answered questions from the Board.

IV. Approval of Ed Specifications for Jonathan Law High School Esports

Ms. Doyle motioned that the Milford Board of Education approve the Educational Specifications for the Esports Arena at Jonathan Law High School and authorize the Superintendent to begin the application process to the Commissioner of the Department of Administrative Services for reimbursement of eligible costs of this project. Ms. Tedros seconded. Ms. Glennon called for discussion.

Ms. Edmonds said she appreciates the modern design and esports, but after going through the Long Range Facilities Planning process, she did not believe this was a critical need.

Ms. Glennon called for a vote. It was not unanimous, so she called for a roll call vote. The motion passed 7-1 (Yes - Brown, Doyle, Flowers, Koba, Scobie, Tedros, Glennon, No - Edmonds).

V. Approval of Ed Specifications for Joseph A Foran High School Esports

Ms. Doyle motioned that the Milford Board of Education approve the Educational Specifications for the Esports Arena Project at Joseph A. Foran High School and authorize the Superintendent to begin the application process to the Commissioner of the Department of Administrative Services for reimbursement of eligible costs of this project. Ms. Tedros seconded. Ms. Glennon called for discussion.

Ms. Glennon clarified that this vote was to move forward with the State reimbursement process, and the project was already in the hands of the Permanent Schools Building Committee through the Capital Improvement Plan process.

Ms. Glennon called for a vote. It was not unanimous, so she called for a roll call vote. The motion passed 7-1 (Yes - Brown, Doyle, Flowers, Koba, Scobie, Tedros, Glennon, No - Edmonds).

VI. PUBLIC COMMENT

Barbara Donnelly – 52 Meadowside Road – She stated that she noticed projects to make changes and modifications to Harborside to be used as swing space through the Long Range Facilities Master Plan construction process were not included in the CIP. She also shared that she does not believe that the Long Range Facilities Master Plan incorporates cost increases over time.

Alan Stern - 326 West Main Street - He introduced himself as the vice president of the Milford Education Association. He shared his concerns about the esports ed specifications and how the plan would impact
