I. CALL TO ORDER

Ms. Glennon called the board meeting to order at 7:00 p.m. in the Board of Education room at Parsons Government Center. By a roll call, seven Board members were present. Ms. Wilhelm joined the meeting at 7:03 p.m. virtually.

II. STUDENT REPORTS

Foran High School recently celebrated academic honors, athletic successes—including a #1 state ranking for softball. Meanwhile, seniors are preparing for life after graduation as they transition into off-site internships starting May 11. Law Student Liaison Layla Alogna and Marcus Townes shared that students completed PSATs and course selection while celebrating. Students remained highly active through community initiatives such as the Prom Wear Drive, Model UN's trip to New York City, and a successful start to the spring athletic season.

III. PUBLIC COMMENT

Ranjit Bhavé – 37 Magnolia Road – He invited the Board to an Annual Teacher's Appreciation Day on May 16 at the Margaret Egan Center. He shared his deep appreciation for educators and all they do.

Rebecca Toms - 213 Meadowside Road – She asked for more community input on the Long Range Facilities Plan, saying she loves the feel of the community that neighborhood schools bring.

IV. CHAIR'S REPORT

Ms. Glennon reminded everyone about the Board of Aldermen Budget Hearing. She also shared that Board members would be invited to attend a lot of end-of-year events. Then, she discussed the upcoming Long Range Facilities Plan meetings, including next week's Public Engagement Session and the planned vote on April 27.

UNAPPROVED

She also shared how this has been a three-year process with many meetings and opportunities for community engagement and feedback.

Ms. Doyle shared that the Facilities Committee met, and aside from the Law project, there will be no projects moving forward this summer due to delays from the State.

V. SUPERINTENDENT'S REPORT

High School Graduation Dates

Ms. Doyle made a motion that the Milford Board of Education establish graduation dates of Tuesday, June 16th, and Wednesday, June 17th, for the senior classes of Foran and Law High Schools, respectively. Graduation ceremonies should begin at 5:15 p.m. for both high schools. Ms. Tedros seconded. The motion carried unanimously.

Food Service Financials Mid-Year Update

Mrs. Faustich provided the Board with the mid-year Food Services Financial Report. She reminded the Board that the self-supporting program relies on federal and state reimbursements, student payments, and some grants. In the report, Mrs. Faustich reviewed sales, meals sold, and free and reduced meals. The program is currently at a loss of \$222,899, which is less than this time last year. She is anticipating being able to make up some of the money when state funding is received. She answered questions from the Board.

Healthy Foods Certification - Food Services

Ms. Doyle made a motion that pursuant to C.G.S. Section 10-215f, the Milford Board of Education certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2026, through June 30, 2027. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to school stores, vending machines, school cafeterias, culinary programs, and any fundraising activities on school premises sponsored by the school or non-school organizations and groups. Ms. Tedros seconded. The motion carried unanimously.

Ms. Doyle made a motion that the Milford Board of Education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards and beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food and beverage items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held and must be the same place as the food and beverage sales. Ms. Tedros seconded. The motion carried unanimously.

Acceptance of the Pumpkin Delight Elementary School Expansion and Addition Project as 100% complete (State Project #084-0213E/A)

Mr. Brennan explained that the Board had to accept this State Project as 100% complete for state reimbursement..

UNAPPROVED

Ms. Doyle motioned that the Milford Board of Education accepts the Pumpkin Delight Elementary School Expansion and Addition Project (State Project #084-0213E/A) as 100% complete. Ms. Tedros seconded. The motion carried unanimously.

Talent Management and Development Report

Dr. Cutaia presented the TMD Report for March. Included in the report were the personnel changes, job postings, stipends, retirements, resignations, and terminations. She answered questions from the Board.

Disbursement Report

Mr. Brennan presented the Disbursement Report for March and answered questions from the Board.

Quarterly Budget Report

Mr. Brennan presented the Quarterly Budget Report for January 2026 through March 2026 and answered questions from the Board.

VI. DRAFT LONG RANGE FACILITIES MASTER PLAN PRESENTATION

Representatives from Perkins Eastman presented the Draft Long Range Facilities Master Plan. They presented their recommendations for sequencing and implementation, including renovations and new builds. Their recommendations came with two scenarios. Scenario 1 (Projected completion in 2044) would have projects completed faster and have a higher upfront cost, but would be more cost-effective in the long run. Scenario 2 (Projected completion in 2048) would be to complete one project at a time, have a lower initial financial commitment, but would be more expensive in the long run. They answered questions from the Board.

The Board had a discussion about these scenarios, and some members shared that they would potentially like to see other scenarios. Other significant talking points included the potential future legislation for universal public Pre-K and its implications, swing space planning, and future staffing considerations.

VII. CONSENT AGENDA ITEMS

Ms. Doyle made a motion that the Milford Board of Education approve Consent Agenda Items: Consideration of Minutes, March 9, 2026 Business Meeting, March 16, 2026 Special Meeting, March 23, 2026 Committee of the Whole Meeting, and the March 30 Special Meeting - Interactive Engagement Session. Ms. Tedros seconded. The motion passed unanimously.

VIII. BOARD COMMENT

Ms. Doyle commented that she attended Opening Day at Jonathan Law High School.

Ms. Glennon shared that she appreciated the discussion and said that she felt the Board had great thinking.

IX. ADJOURNMENT

Ms. Doyle made a motion to adjourn, seconded by Ms. Tedros. Hearing no objections, Ms. Glennon adjourned the meeting at 9:37 p.m.

II. LONG RANGE FACILITIES MASTER PLAN - DRAFT

Ms. Glennon and Dr. Cutaia provided welcome and background information about the Long Range Facilities Planning process, with a focus on the Draft Master Plan. They also set expectations for the evening before turning the meeting over to consultants from Perkins Eastman.

Mr. Patrick Davis, a representative from Perkins Eastman, presented their recommended Draft Master Plan, including sequencing and implementation, which had been presented to the Board at a prior meeting. Their recommendations came with two scenarios. Scenario 1 (Projected completion in 2044) would have projects completed faster and have a higher upfront cost, but would be more cost-effective in the long run. Scenario 2 (Projected completion in 2048) would be to complete one project at a time, have a lower initial financial commitment, but would be more expensive in the long run.

Participants in the audience asked questions and expressed concerns to Mr. Davis and Ms. Glennon.

III. INTERACTIVE PUBLIC ENGAGEMENT

Community members attending the session walked through the scenarios arranged in a gallery for about 45 minutes, asking questions and providing feedback via conversation with the Board members and architects' sticky notes.

II. OVERVIEW AND BOARD DISCUSSION OF POTENTIAL MODIFICATIONS TO THE DRAFT LONG RANGE FACILITIES MASTER PLAN

Mr. Patrick Davis, a representative from Perkins Eastman, recapped the draft recommendations for sequencing and implementation of a Long Range Facilities Master Plan that had been presented to the Board on April 13. On April 20, the Board hosted a Public Engagement Session on the potential scenarios for the plan. Based on feedback from this session, Mr. Davis presented, and the Board discussed several scenarios with potential modifications to the sequencing and implementation of the original draft. (Presentation on file).

The Board agreed to eliminate the scenario beginning with high school, thinking it did not make sense economically or logistically. Board members also agreed they would prefer an option that maintained middle school students in middle school-type swing spaces and minimized the use of portable classrooms as swing space.

Several Board members expressed interest in an option where a new West Shore Middle School would be constructed on the old Simon Lake property, if it were to become available. A similar option suggested building new middle schools on the current JFK and Live Oaks properties, next to the elementary schools, making the current West Shore and East Shore buildings new elementary schools, then demolishing the existing two elementary schools. After discussion, the Board agreed to remove this last scenario as an option.

At the Board's questioning, Dr. Cutaia shared that she believes the first phase of the project should be elementary schools, specifically, Live Oaks.

After deliberation and consideration of the possibilities for the plan, the Board asked Perkins Eastman to:

UNAPPROVED

Review as a preferred plan, if the Simon Lake property is an option: begin with Live Oaks and JFK as per the original plan, followed by West Shore on the new Simon Lake property if available, while potentially concurrently rebuilding Orchard Hills. Then, rebuild East Shore, using the current West Shore as swing space. The remaining elementary schools would get rebuilt, ending with the high school renovations. Retired elementary buildings would serve as swing space during construction at elementary schools.

As a contingent plan, if the Simon Lake property is not an option, begin with Live Oaks and JFK as per the original plan. Next, rebuild West Shore first, using Harborside and East Shore for all middle school students. Then, rebuild East Shore, using Harborside and the new West Shore for all middle school students. This would potentially require some temporary portable spaces, but would keep each school population together in spaces designed for middle school students. Then proceed with the remaining elementary and high school projects.

Board Members also requested some information on busing, concerns or issues Perkins Eastman identifies, if any, and what modifications might be necessary for swing space under these plans.

Board members discussed May 11 as the next date for further discussion and a potential vote.

Board members expressed their appreciation for the public engagement and the opportunity to discuss other ideas.

III. PUBLIC COMMENT

Amanda Clarke – 58 Canterbury Lane – She shared that she believes middle schools should be built first in the Long Range Facilities Plan. She said that she believes students shouldn't be in the same space multiple times or in a school with ongoing construction.

Barbara Donnelly – 52 Meadowside Road – She shared that she believes that there needs to be a detailed, comprehensive plan for the redistricting of students, as well as, what could happen if the funding for the Long Range Facilities Plan is acquired or not.

IV. ADJOURNMENT

Ms. Doyle made a motion to adjourn, seconded by Ms. Tedros. Hearing no objections, Ms. Glennon adjourned the meeting at 10:07 p.m.
