WEBSTER COUNTY RE- ENTRY

A GUIDE FOR PARENTS

This document is subject to change as information about the spread and prevention of COVID-19 is known. New directives from the Governor's office, West Virginia Department of Education, and public health officials may be forthcoming and may evolve prior to the start of and throughout the school year. This plan may be altered to comply with any new directives and to safeguard student health and learning needs.

The contents of this plan are rooted in the following guiding principles:

- Prioritizing the health and safety of our students, staff, and community.
- Maximizing the amount of safe, in-person learning opportunities and creating equitable access to distance learning.
- Making decisions based on science, data, and stakeholder input.
