2026 Community Closet & Viking Support Station SPRING Shopping

March 2, 2026

Dear Parents/Guardians:

Families at all 5 School District 145 buildings can receive Spring/Summer clothing now through our local Community Closet. The Community Closet is an organization that provides new and gently used clothing for free to families residing in our school district.

Families will now have the option, by appointment only to pick out their own clothing at the Community Closet building on the Waverly Intermediate School campus. If transportation is an issue or you would rather have the clothing delivered to your child's school that option is still available, which will be explained to you when the Community Closet organizer calls to set up your appointment.

The School District 145 Foundation for Education Viking Support Fund partnered with the Community Closet to enhance clothing donations and meet your home needs. The Foundation has obtained items such as home goods including bedding, kitchen appliances, kitchen tools and gadgets, hygiene items, personal items, shoes, winter coats, etc. to support community need. These items will be distributed for free. You will be able to personally pick out items from the Viking Support Station in Eagle after your appointment at the Community Closet.

If you have already received clothing from the Community Closet or items from the Viking Support Station in the past you are welcome to receive again. Nobody will be denied.

If your family would like to be a recipient of these programs, or make a donation please complete the form and return it to school by Wednesday March 11th 2026.

If you have questions/concerns, please contact me for more information.
