FUNDED THROUGH

community donations

The holiday season is a joyful one, but we recognize it can also bring financial and emotional stress for some of our neighbors. For this reason, the 145 Foundation invites you to participate in our Holiday Wishes Program, which anonymously matches School District 145 families who need support with School District 145 families and businesses who are able to help.

To receive support or make a donation, complete the applicable section below and return this form to your school building's main office by Wednesday, November 18. A Foundation Board Member will collect the forms and contact you directly with next steps. Please return one form per family.
