Homecoming 2026

Saturday,September 26th, 2026

12:00 PM Kick off

Vs. Turtle Lake

Custodial Staff

THANK YOU!

We would like to extend a huge thank you to our amazing custodial staff for all their hard work this summer. Thanks to your dedication, our building is shining and ready to welcome our students back for a fantastic new school year!

A Note from Mr. Sturzl

Great summer school program!
We had another good turnout this year for summer school. The students enjoyed many educational options at all grade levels. Not only is summer school an effective way to keep students engaged during the month of June, and even later in the summer through our fitness education activities, it is also an important component of our District's revenue, which we obtain through state aid. Student hours of attendance ARE monitored each summer and submitted to the Department of Education. Our District has previously added as many as 19 students to our overall membership, because of the summer school attendance. That number is averaged with the previous two years and is used when determining our state aid, reducing the local tax burden.

Clayton's "Bears Club" Daycare
The Bear's Club Childcare program has been well received by those taking advantage of the local child care opportunity. There is limited room available for this next school year in some of the age groups. Just a reminder: it is open to ALL families, not just district residents! Here are the details:

- Children 2 years – 4 years (grades K-5 are welcome before and after school)
- State-Qualified Daycare Providers
- Care provided Monday through Friday - 6:30 a.m. – 5:30 p.m.
- Care offered during the summer also
- Fees: 5 Days - $170, 4 Days - $140, 3 Days - $110
- Rates are based on child's age
- Registration Fee: $25 non-refundable

If you have any questions, want to know what groups have available space and what groups have a waiting list, or would like other information, please contact Amy at graunkea@claytonsd.k12.wi.us

Food Service
New this year, ALL STUDENTS will pay for their meals through the Clayton Food Service for the 2026 – 27 school year. Students in grades JK – 12 must have funds in their lunch account to purchase school meals, as well as any extra entrée or additional milk. Please pay attention TO notices of a low balance in your student's meal account. Meal prices for the 2026 – 27 school year are as follows, Grades JK-6 breakfast is $1.50 and lunch is $2.50. Grades 7-12 breakfast is $2.15, and lunch is $3.25.

Summer Building Projects/Expenditures
Projects are always performed around school buildings during the school year and the summer months. Two projects to share. A small project: Door #8 and Door #9 have been replaced. The doors are located in the alley. A lighting upgrade is the largest summer project for this year. The remaining two zones of the building will have the fluorescent light fixture replaced by LED light fixtures. The work will take place in the Elementary School, the Middle School area, and some other light upgrades throughout the building. The projects have been completed!

A Note From Mr. Schradle

Welcome back to the start of the 2026-2027 school year, I want to extend a warm welcome back to our students and families! September marks a time of fresh beginnings and exciting opportunities for growth and learning.

Our students and staff have had a great start to the school year, engaging in lessons and activities that ensures every student feels supported and inspired. This month, as a school, our Character Connections Monthly themes are Community Building and Cooperation. This focus has us working on building a strong classroom community, encouraging students to set goals, and fostering a love for learning.

I encourage you to stay connected with us. Our website and Facebook are great ways to get information about upcoming events, Parent/Teacher conferences are an opportunity for you to connect with your child's teacher, and don't hesitate to reach out with any questions or concerns.
Together, we can create a positive and nurturing environment where all the children can thrive.
Here's to a wonderful year ahead!

Board Minutes

Clayton Board of Education
Regular Meeting Minutes
July 15, 2026
