

McMinn County Board of Education
Executive Meeting
July 29, 2021, 10:00 a.m.

The Executive Committee of the McMinn County Board of Education met Thursday, July 29, 2021 at 10:00 a.m. at the McMinn County Center for Educational Excellence.

Those present were Vice-Chairman Quinten Howard, Director of Schools Lee Parkison, and Board Secretary Sandy Hodges.

Vice-Chairman Howard called the meeting to order to approve the following recommendations:

AGENDA

1. Price increase on portable classroom

The purchase of a portable classroom, quoted June 23, 2021 at \$124,820, was approved by the Board on June 30, 2021. Due to a delay in the state approval of ESSER funding for the purchase, the new contract date was July 22, 2021, and reflected a price increase of \$21,387. The new price quote of \$146,207 did include the addition of dug and poured concrete footers, previously estimated at \$8,715. This purchase was necessary to get the classroom delivered and installed as soon as possible to accommodate the incoming students at E.K. Baker School.

Mr. Parkison recommended, and Vice-Chairman Howard concurred.

2. Updated Technology Salary Schedule

This was a revision to the previous Technology Salary Schedule approved by the Board during the July 13, 2021 regular session meeting. Mr. Parkison said Darren McCracken was supposed to be paid according to the submitted CTO scale; however, this was due to the oversight of current CTO Jill Pierce's employment being effective through August 10, 2021. It was necessary to add the position of Interim CTO until Ms. Pierce was officially retired.

Mr. Parkison recommended, and Vice-Chairman Howard concurred.

Meeting adjourned.
