Dear Florence Roche Families,

It was great to complete our first full week of the year. Consistency with schedules and routines is good for all of us. We ended the week with a special reader's theater performance put on by Mrs. Allen's kindergarten class. They took the stage and performed for some of our other kindergarten students. Practicing reading and oral language while performing for an audience are some of the important skills our kindergarten students are learning.

Parent/Guardian Pick up Reminders

In an effort to keep our moving pick line flowing smoothly, please do not get out of your car during this process. A staff member will assist your child with a vehicle door if necessary. If you need to get out and buckle your child, please pull into one of the accessible spots beyond the pick up circle to do this. Following this procedure will help us keep the line moving and avoid any traffic back ups at the end of our driveway and onto Route 119. In addition, if you are dropping off or picking up outside of the regular arrival and dismissal time, please park in one of the short-term parking spaces at the top of the driveway. Do not park and leave your vehicle in the circle as this is for emergency vehicle access during the school day.
