Dear Florence Roche Families,

Happy November! Hopefully everyone is getting used to the earlier sunsets as we move closer to the winter months. The cooler mornings and warmer afternoons mean that our lost and found collection is growing daily. Students are leaving sweatshirts and jackets behind as they get warmer during the day. Please remind your student to check the lost and found for any missing items.

Ralph Fletcher, a visiting author, presented to each grade level this week. Ralph was with us a few weeks ago to work with teachers and share some strategies for helping all of us establish an identity as a writer. During his grade level presentations to students, he shared some of his books and how his family and childhood inspired many of his stories. Ralph also spoke about the importance of his writer's notebook and how he uses this as a place to collect his ideas for future stories. We truly enjoyed his visit and want to acknowledge and thank the Groton Dunstable Education Fund (GDEF) for funding the grant to bring Ralph Fletcher to Florence Roche.
