Attention Parents of 7th–12th Grade Student-Athletes:

OSSAA now requires all athletic eligibility paperwork to be completed through the new RankOne system before a student-athlete is eligible to compete.

If your child participates in any competitive sport in grades 7th–12th, a parent/guardian must complete the required online forms every school year.

✅ What You Need to Do
1. Complete all required eligibility forms in RankOne.
2. Upload your student's current athletic physical.
3. Submit everything before your student can participate in competitions.

Need a Copy of Your Student's Physical? If you don't have a copy, don't worry!

Baseball & Softball: Your coach will contact players and provide a copy of the physical prior to the first game.
Basketball Only: Physical copies will be available during Back-to-School Night on Tuesday, August 11, from 5:00–8:00 p.m.
All Other Sports: Contact your child's coach for a copy of the physical if needed.
