Dr. Seuss Week in Full Swing

By Staff Reporter: Clara Remacle

Dr. Seuss week is right around the corner (March 2nd-6th). Our school is celebrating this week to promote literacy, motivate children to read, and foster a love for books. During the week, we will celebrate by dressing up and having special readers come read to the elementary classes. Special thank you to our PTO for organizing this amazing week!

Educators Rising Conference

By Staff Reporter: Alina Bertleson

On February 2st-23rd, the Educators Rising group took a trip up to Black Hills State University (BHSU) to attend the state convention. Emma and Wyatt Carter, Alina Bertleson, and Ambur Hagg, all attended. It was a two-day trip and they got to attend worship to learn more about the field of education. On the trip, they also got to focus on socializing and meeting new people. Overall, it was an exciting experience that opened new doors and grew new relationships. Educators Rising is a newly formed club at Canistota and they hope to continue to grow in upcoming years.

Senior Spotlight: Jylynn

By Staff Reporter: Roo Acheson

Jylynn Schryvers was born in Sioux Falls by parents Dean and Jamie Schryvers. Her siblings are Loramae, Joseph, Samuel, and Arlie. Family has always been a big part of her story. She gives credit to her mom and sister Loramae especially, but believes everyone she’s met has left some kind of impact on her life. As graduation approaches, Jylynn feels a mix of confidence and nerves about what comes next. Her plan is to attend Mitchell Tech to earn her LPN, then continue on to receive her RN. Looking further into the future, she hopes to obtain her BSN and eventually see herself living outside of South Dakota, working in either an ER or a doctor’s office. Her biggest dream is to one day become the head of an ER trauma center. During Highschool Jylynn stays busy and involved. She participates in basketball, softball, and student council; building friendships and memories that she says she’ll carry with her long after graduation. Some of her favorite moments were simply playing sports with friends, and laughing around- even the times she admits she was messing around when she probably should have been paying atten-

tion in class. Geometry in Mrs. Brietzman's class stands out as her favorite class. Outside of school Jylynn enjoys spending time with her niece and hanging out with friends. Whether it’s playing softball, driving around, or grabbing taco bell, she values the simple moments. Her favorite quote is “ Do what you can, with what you have, where you are.” A mindset that reflects her determination to make the most of every opportunity. Looking back on her four years, Jylynn says the memories mean the most. Looking ahead, she hopes others will take one important piece of advice with them: get involved, build good habits now, and create opportunities for yourself- because nothing is handed to you.

School Updates

Here are some fun facts about school events that you may not know about!

- Parents and students, prom forms have been handed out ! Make sure to fill them out and turn them in so you can have a blast at prom.
- Canistota school is installing visitor parking outside the main office door. There will be indicating signs for 15 minute parking from 8:00 AM to 4:00PM. The school decision behind the matter was safety issues. For more information check out the school Facebook page!
- The school lunch has added a new Parfait– Blueberry!
- Preschool and Kindergarten Screenings are (Tuesday March 10th).
- Canistota’s first ever powerlifting team will compete on March 7th at Baltic High School. We wish the students participating good luck! For more information on the powerlifting team, you can ask Mrs. K!
- Track practice is underway and the students are excited for the season ahead. indoor meets are approaching quickly!

Middle School Dance

By Staff Co-Editor: Ellie Becker
On Friday February 27, the Student Council hosted their annual Middle School Dance. This years theme was Black and White. Many middle schoolers attended the event and enjoyed some Gatorade and Total Stop Pizza. Along with the dancing fun games were played such as limbo, dance battles, and conga lines. We cannot forget about the dancing however. Fun songs like the Macarena and Cotton Eye Jo also made an appearance. Thank you to the Student Council for allowing these middle schoolers to experience an awesome dance!

What is the Perfect Breakfast?

What is the perfect breakfast. To some it is some crispy bacon, sausage, and scrambled eggs. To others it is a delicious waffle with syrup and coffee. Whether it be an omelet or an apple, breakfast is considered the most important meal of the day! Share with a family member or friend what your perfect breakfast consists of.
