A Note from Ms. Owens

Hi Barnard Families,

April brings the hope of spring and the eventual promise of the summer off. We are in the final weeks of this school year and are preparing for many wonderful events.

Of note is our first planting in Amy's Greenhouse in many years. The genesis of Amy's Greenhouse was in loss and remembrance because of the tragic events of 9/11. With love and respect for Amy and her mom, Mrs. Davie, a retired Barnard teacher, we continue to honor the legacy and have transformed Amy's Greenhouse into a space for true growth and new beginnings. We started planting basil K-2, and hope to bring Pre-K into the fold very soon. It is with a warm spirit that I share this wonderful news with everyone.

Also, as promised, here are some MOVING UP dates for grade levels. Please remember to bring your ID to get into the school (not a picture). If I have not included a time, it is TBD or not applicable.

Have a great April.

Best, Ms. Owens
