A Note from Ms. Owens

Hi Barnard Families,

As we enter the final month of another incredible school year, I want to take a moment to thank each of you for your partnership, support, and trust throughout the year. June is a special time at Barnard- filled with reflection, celebration, growth, and excitement for what is ahead.

This year, our students have shown remarkable perseverance, curiosity, kindness, and joy in learning. From our youngest learners taking on new school routines, to our second graders preparing to move on to new adventures, every child has made meaningful progress academically, socially, and emotionally. We are so proud of all they have accomplished.

Throughout this month, classrooms will continue engaging in meaningful learning experiences while also celebrating milestones, showcasing student work, participating in end-of-year activities, and creating lasting memories together. Please continue to encourage daily attendance and maintain routines to help students finish the year strong.

Thank you for being an essential part of our Barnard community. Your involvement, encouragement, and support make our school stronger and help create an enviornment where children feel safe, loved, and inspired to learn.

As summer approaches, I encourage families to continue fostering learning at home through reading together (read a thon information is attached), exploring outdoors, asking questions, and enjoying quality time as a family.

We wish all of our families a joyful, restful, and safe summer. Thank you for making this school year one to remember.

Best, Ms. Owens
