

NEW STAFF HUB

We have transferred our employee resources and tools to a new location!

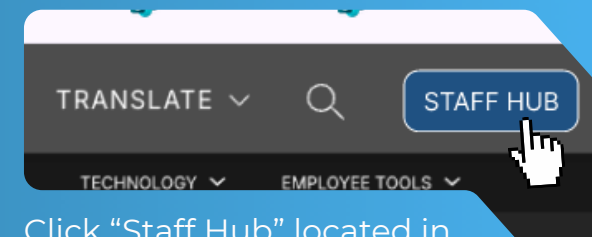

Please be advised that the transition to the new website is scheduled for the week of July 20, 2026.

Everything you will find in this handout about the new staff hub:

- 01 Logging In
- 02 Employee Tools
- 03 Technology
- 04 About Us
- 05 Resources

LOGGING IN

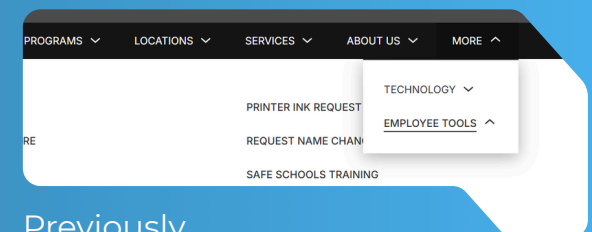

Using the navigation bar on CCESC.org, you can access the employee SharePoint sites.

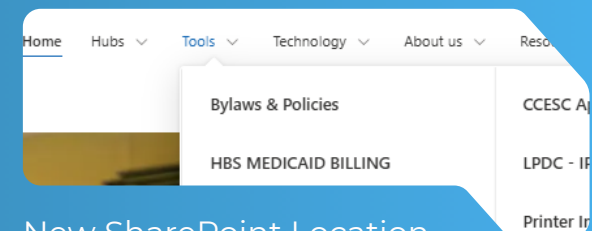

Click "Staff Hub" located in the top right corner, log in with CCESC credentials.

ABOUT THE NEW WEBSITE

We have migrated all employee resources to a new SharePoint site to better separate our internal employee tools from our public-facing website. This transition centralizes our documents and information, providing staff with more efficient and streamlined access to essential resources.

The new SharePoint hub enhances your experience by introducing valuable new tools and resources while maintaining seamless access to the essential features you already rely on.
