August 28, 2026

Good Afternoon Greenwood Middle/High School Families,

Earlier today, students received fundraiser packets for what's become known as our annual "Cookie Dough" fundraiser. Inside their fundraiser envelopes, students were provided an order form and flyer for the four main items being sold (cookie dough, coffee, peanuts, and popcorn) as well as a form for an online store which offers over 1,000 unique items shipped directly to the consumer's door. I plan to speak to each class further during lunches tomorrow about the fundraiser.

Money raised through this endeavor will directly benefit each student's graduating class. These funds are crucial towards offsetting a wide variety of costs and events hosted throughout high school.

Underclassmen participating in this fundraiser can earn cash for every two items sold. Members of our Junior (11th Grade) and Senior (12th Grade) classes can earn one or two prom tickets if they sell 8 or 16 items respectively.

Some important dates related to our Greenwood Middle/High School Class Fundraiser:

- **Begin Selling:** Monday, August 31, 2026
- **Final Date of Sales:** Tuesday, September 15, 2026
- **Turn in Date*:** Wednesday, September 16, 2026 during homeroom
- **Item Pickup Date:**** Wednesday, October 28, 2026 between 2:35pm – 5:00pm.

Students that sell a large quantity of popcorn, cookie dough, and chocolate need to make arrangements to have someone pick up their sales during this window

Please see your student's fundraiser packet for additional, specific information. Good luck to all of our participants and have a wonderful evening.

Sincerely

Matthew Clark
