Dear Jefferson R-VII Community,

The Jefferson R-VII School District is proud to announce that the Jefferson High School softball team will play its final three games of the 2026 fall season at the new softball-baseball facility located on the campus of Jefferson High School.

We would like to extend our gratitude to our community for supporting Proposition S, which made this exciting milestone possible. We also want to thank ATG Sports and the many others who worked diligently to ensure our softball team could play a few games at the new facility this season. By keeping our kids safe and successfully bringing our softball team home to our campus, your commitment to Proposition S continues to make a lasting impact.

Please join us in welcoming our softball team to the campus by attending the upcoming games:

- **Tuesday, October 6 at 4:30 PM** against DeSoto
- **Wednesday, October 7 at 4:00 PM** against Neelyville
- **Thursday, October 8 at 4:30 PM** against North County

Important Game Day Information:

- **Seating:** There are 96 seats available directly behind home plate for the games. Fans are also welcome to bring lawn chairs as concrete pads are available.
- **Facilities:** Please note that the concession stand and field bathroom facilities are not yet ready for use at the softball field. Because of this, there will be no concessions available for these three games.
- **Restrooms:** Bathrooms will be made available through the entrances of the Performing Arts Center and the High School Gym.
- **Building Rules:** No cleats are allowed inside the school buildings at any time.

In addition to these final games, the district will host a formal grand opening ceremony for the new facility in the Spring once the concession stand is fully complete. We look forward to celebrating this incredible addition to our campus with a special event that will include our local Little League teams and Jefferson alumni.
