Dear Sequoyah High School Students and Families,

Welcome back to another exciting school year! We hope you had a safe, restful, and enjoyable summer. As we begin a new year together, we want to let you know how happy we are to welcome each of you back to school. **Freshmen Day is August 12** – all freshmen are to report at 8:00 a.m. All students report to school on **August 13** at 8:00 a.m.

At Sequoyah High School, we believe every student and family is an important part of our school community. Our goal is to make sure everyone feels welcomed, connected, valued, and supported from the very first day. We are committed to creating a positive learning environment where students can grow academically, socially, and personally. Together, we truly are one school family, and we look forward to working alongside you throughout the year.

As we prepare for a successful school year, we encourage all families to complete a **Free and Reduced-Price Lunch Application**. Every application is important, regardless of whether you believe your family will qualify. These applications help provide valuable resources and funding that directly benefit our students and school programs.

We also invite all students and families to attend our **Open House, Tuesday, August 11, 3:30 p.m. – 6:30 p.m.** This is a wonderful opportunity to meet teachers and staff, visit classrooms, learn about school programs, and ask questions before the school year gets fully underway. We hope to see everyone there as we kick off another great year together.

During Open House, we will hold our **Annual Title I and Special Education Meeting**. During this meeting, families will learn about the services and programs available to support student success, as well as opportunities for parent involvement throughout the school year. We encourage all parents and guardians to attend and learn more about the resources available for our students.

This school year is especially exciting because we are looking forward to moving into our new school building in the near future! We know everyone has been eagerly anticipating this moment, and we are just as excited as you are. The new facility will provide outstanding learning spaces, updated technology, and new opportunities for our students and staff.

We are honored to serve as the superintendent and the principal of Sequoyah High School. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth.
