Prairie Lea ISD First Responder Training

Dear Prairie Lea ISD Community,

Prairie Lea ISD will host first responder training at Prairie Lea High School on Thursday, July 23, and Friday, July 24. During this training, first responders will conduct drills and practice emergency response procedures.

Please do not be alarmed if you observe emergency vehicles or first responders conducting drills on campus. This is a planned training exercise only.

The high school campus will be off limits to the public while training is in session. Front office staff will be available in the portable building area during this time.

If you have any questions, please contact Prairie Lea ISD at 512-488-2328.

Thank you for your understanding and cooperation as we work with our first responders to help ensure the safety of our students, staff, and community.

Sincerely,

/s/ *Martha M. Gilmore*
