SCHOOL RULES

We have two basic school rules: **Be Safe and Follow Directions.**

ATTENDANCE

Regular attendance is an integral part of the classroom learning process and recognizes a significant relationship between academically engaged time and student achievement. It is imperative that you communicate with our school nurse, Amber Tuper, regarding absences.

BUS PASS

In the event that your child needs to ride a bus to a location other than their typical drop off, please send written notification to the elementary office. This can be in the form of a handwritten note, email (wdishaw@bfcsd.org) or fax to Wendy Dishaw at 315-389-4651.

SCHOOL MEALS

Breakfast and lunch provided by school will be free for all students this year.
