A PRESTIGIOUS RECOGNITION

Champion of the Year is a prestigious recognition honoring exceptional leaders of inclusion. Gifts to Juliana and Carson's campaign help Best Buddies create friendships, jobs, leadership opportunities, inclusive living, and family support for people with IDD.

MEET JULES!

Jules is a 17-year-old senior at Jensen Beach High School. She founded its Best Buddies chapter two years ago and serves as president. For three years, she has been a peer partner for students with intellectual and developmental disabilities (IDD). Last year, she organized the Best Buddies Prom in Martin County. After two summers at Indiana University's Best Buddies Leadership Conference and shadowing a pediatric occupational therapist, Jules hopes to study disability studies and occupational therapy, minor in art therapy, and continue with Best Buddies in college and beyond.

WHAT IS BEST BUDDIES?

Founded in 1989 by Anthony Kennedy Shriver, Best Buddies is a nonprofit creating opportunities for friendship, employment, leadership development, inclusive living, and family support for people with IDD.
