PARENT/GUARDIAN CONSENT FOR “OFF CAMPUS” RELEASE

Form MUST Be Completed Separately By ALL Parents/Guardians

Form# 1333

Rev. 8/4/2025

STATE OF FLORIDA
COUNTY OF MARTIN

I, the undersigned _____ (insert parent/guardian full legal name) (hereinafter “I” or “Affiant”), having been duly sworn an oath, do hereby depose and say that:

1. Student is registered and enrolled as a student at _____ (insert school name) (hereinafter “School”).
2. I am the parent or legal guardian of _____ (hereinafter “Student”).
3. I hereby consent, agree and wholly authorize the granting of “off campus” privileges to Student as may be offered by the School, and understand that such privileges will permit Student to leave the School campus during the Student’s scheduled “off campus” periods of the school day, if the Student so desires, and that the Student, during such times, will be effectively beyond the control and supervision of the faculty and staff of the School, or other employees of The School Board of Martin County, Florida (hereinafter “Board”).
4. I hereby acknowledge and agree that the granting of “off campus” privileges to the Student is a privilege, and not a right, and may be summarily revoked at any time by the Superintendent, Principal or other administrative or faculty personnel at the School, without cause or reason, and may also be terminated by the Board, also without any cause or reason therefore being required.
5. In consideration of the granting of “off campus” privileges to Student, I hereby waive, release and forever discharge, jointly and severally, School, Board and all employees and agents, from any and all responsibility or liability whatsoever relating to any injuries or damages of whatever kind or nature whatsoever which may be sustained by Student during such times as Student exercises any “off campus” privileges, and for any acts, conduct or misconduct of any kind or nature whatsoever, whether lawful or unlawful, which may be engaged in by Student while off campus or during any period of time in which “off campus” privileges are exercised by Student.
6. I, jointly and severally, hereby assume total responsibility and liability for the welfare of Student while Student is off campus and during any period of time in which “off campus” privileges are exercised by Student, including but not limited to any and all activities referred to in the foregoing paragraph.
7. I covenant and agree that Student will, at all times, act in a responsible manner, do nothing to bring discredit upon Student or School, and faithfully adhere to the schedule of classes and other activities to which Student is assigned.
