ERIC KRESSER
FOOTBALL HEAD COACH

ABOUT OUR NEW COACH

Kresser is a record-setting collegiate quarterback who competed at both the University of Florida and Marshall University, where he established himself as one of the most accomplished passers of his era. His success at the collegiate level propelled him to a professional career that included time in the National Football League with the Cincinnati Bengals and in the Canadian Football League with the Montreal Alouettes.

Following his professional playing career, Kresser remained deeply committed to the development of young athletes by founding a quarterback training school, focused on mentoring and preparing local high school student-athletes for success on and off the field. His work has helped numerous quarterbacks refine their skills, elevate their football IQ, and pursue opportunities at the next level.
