July 31, 2026

Dear Bulldog Families,

Welcome to the 2026-2027 school year!

As we prepare to welcome students back to South Fork High School, I am filled with excitement and gratitude for the year ahead. Last year was a historic one for our school as we earned an **"A" school** grade for the first time in more than a decade. While we are incredibly proud of that accomplishment, what makes me most proud is how we achieved it—**together.**

This year, our theme is **"Bulldog Built".**

For me, Bulldog Built is about more than academics. It is about the pride, resilience, traditions, and sense of family that have always defined South Fork High School and this community. Long before we earned an "A", Bulldogs worked hard, supported one another, overcame challenges, and refused to let others define who we could become.

Bulldog Built is our underdog story. It is the story of students, staff, families, alumni, and community members who believed in South Fork and showed up every day determined to make it better. That belief, grit, and perseverance helped carry us from underdog to top dog and put South Fork High School firmly on the map.

The **"A"** is something to celebrate, **but it isn't our story. The story is the people** who made it happen. The story is Bulldog pride. **The story is South Fork.**

As we begin this school year, our motto remains: **Be More. Be a Bulldog**. Being a Bulldog means being more—more resilient, more responsible, more engaged, and more committed to something bigger than ourselves. It means honoring the traditions that built this school while continuing to raise the bar for the generations that will follow.

Thank you for your continued support of South Fork High School. I am honored to serve this community and excited for all that we will accomplish together this year. Here's to another great year of building on our success, honoring our traditions, and showing everyone what it means to be **Bulldog Built.**

Be More. Be a Bulldog.

With Bulldog Pride,

J Thompson
