Integrated Guidance

What is Integrated Guidance?

ODE's Integrated Guidance encompasses six ODE programs:

- **High School Success**
- **Student Investment Account (SIA)**
- **Continuous Improvement Planning**
- **Career Technical Education, Every Day Matters**
- **Early Indicators and Interventions Systems**

What is Integrated Guidance?

The programs have five common elements:

- **Authentic engagement processes**
- **Equity-based decision making**
- **Focus on students who have been historically marginalized by the education system**
- **Comprehensive needs assessment**
- **Continuous improvement cycle**

What is Integrated Guidance?

They also have four common goals:

- **Well-rounded education**
- **Equity advanced**
- **Engaged community**
- **Strengthened systems and capacity**

Student Investment Account

The **Student Investment Account (SIA)** is a major component of Oregon's Student Success Act (SSA), enacted in 2019 to increase funding for public schools and improve educational outcomes. The SIA provides funds to Oregon school districts and eligible charter schools to support academic achievement and student well-being, with an emphasis on equity and inclusion.

Student Investment Account

Each school district develops a plan to address specific areas supported by SIA funds.

These focus areas include:

1. **Reducing Class Sizes**
