HELPING HANDS AND HEARTS

Christmas is a time of excitement for children but can be stressful for adults. The South Side committee called "Helping Hands and Hearts", along with SS staff, local churches and community members get together to aid families with their Christmas needs.

If you need to sign up to RECEIVE HELP from HHH:

Go to the district website at sssd.k12.pa.us to fill out the Google form **starting Nov.6**. We will have the window for sign-ups open for 10 days only. **The last day of sign-ups is Nov. 15**. No late sign-ups will be accepted.

Helping Hands and Hearts is available to those in need, and we are also looking for people who would like to give to these children and families. We are not asking you to provide an entire Christmas for the children. You can request a tag from HHH and purchase the gift listed on that tag. You may choose to donate money to be used to purchase a gift for a child or to be used later for a family in need of fuel, clothing, food, etc.

If you would like to HELP HHH:

- Monetary donations can be sent to the MS/HS office. Checks made payable to "SSEA Scholarship Fund"
- To purchase a gift, go the school website to fill out the Google form to "request a tag".

THANK YOU FOR ALL YOUR HELP MAKING A DIFFERENCE IN A CHILD'S CHRISTMAS THIS YEAR.

Sincerely,
Helping Hands and Hearts Committee
