Marietta City Schools – Facilities Master Plan

Educational Visioning Community Follow-Up

RSVP Tracker: MCS EV Confirmation Form (Responses)

Hello Team,

Thank you to everyone who participated in our first Educational Visioning session. Alongside student and staff input, your feedback helped us map out the essential skills our students excel at today versus the priorities we aspire to build over the next decade.

Please join us for our second educational visioning session titled **"Develop & Refine,"** where we will explore how our physical learning spaces can best support this shift.

Staff Session Details:

- **Date:** Wednesday, November 3
- **Time:** 6:00 PM – 8:00 PM
- **Location:** District Office
- **RSVP (if you haven't already):** forms.gle/3qiwthuGuGtU1YDc9

We recently launched a dedicated website called **Tigers Together** to share updates throughout the facilities planning process with the community. You can read more about Round 1 of Educational Visioning at tigerstogether.com/updates/#ev1

Thank you for helping shape the future of our district!
