DHS Senior Class Driveway Painting

It is a tradition at Dover High School to allow graduating seniors to paint a mural on the high school driveway. The driveway paintings should celebrate graduation, highlight student accomplishments, and express positivity and gratitude. Murals must be pre-approved and drafts submitted by June 8th. Students will receive an email with approval or a request for changes. Paintings that are inappropriate, disrespectful, or controversial will not be allowed. Painting may begin on June 15th in the designated area only and must be finished by June 24th.

Students must adhere to the following:

1. No painting before 3pm or after 6pm.
2. The painting of the American flag or any other country's flag is not allowed. It is disrespectful to a nation's flag to be drawn on the ground.
3. No inappropriate language or images.
4. Paintings should celebrate students' achievements, celebrate graduation and/or express positivity.
5. Paint only in the designated area. DO NOT paint on anything (lampposts, curbs, trees, signs, parking lot, etc) other than the driveway.
6. Your space should be no bigger than 10'X10'.
7. DO NOT use oil-based paint. It is slippery on rainy days. LATEX paint only.
8. Be respectful of others' work.
9. Clean up after yourself. Do not leave paint cans, brushes, etc. Do not leave a mess.
10. No painting over the yellow lines.
11. Use common sense, do not put yourself or anyone else in danger! Watch out for cars coming up and down the hill.

I have read, understand, and agree to the guidelines above. Attached is a copy of my mural for approval. I understand that my mural is the property of the school district and can be removed at any time for any reason.
