WHAT'S **coming up** *in the* LIBRARY

BOOK fair!

NOTE FROM MRS. SPARKS

The book fair is coming up so soon! Along with all of the Halloween festivities and conferences. There are so many NEW and awesome things being offered this year that you don't want to miss! My favorite thing is the eWallet. This is essentially creating a "library allowance" for your child. It also allows them to have access to book money without touching cash or card. Extremely convenient for those of you that want your child to support the book fair, but don't want them to think they have unlimited funds!! Another great thing is the "Share the Fair" fund. This is an awesome way to support our library directly or even help out a child in-need. You can donate to this fund, round up your dollars, or support in person with loose change/cash. Great ways to support our little school library and your favorite little readers!

DATES:

October 19th - 23rd Book Fair Setup

October 27th Book Fair 3:00 - 6:00 PM

October 28th Book Fair 1:30 - 6:00 PM

October 29th Book Fair 8:00 AM - 4:00 PM

NEW eWallet

WHAT IS IT?

- A cashless system that makes checking out faster and easier!
- You make a scholastic account for your child ahead of time and add any pre-loaded amount that stays on your student's account even after the fair is over! This way you can see how much and what your child is buying if you can't physically make it in or want to set an amount ahead of time.
- You can also transfer funds to another child's account or even have friends and family add funds into your child's account!

HOW IT WORKS:

Shoppers can set up and manage funds from: 10/5/26 → 10/30/26. Sign up ahead of time!

Your child makes a purchase at the fair by me looking up their eWallet account and charging the book + tax to the amount of funds in the account. No card, no cash, and no phone is needed for this purchase. Just their account set up and money added ahead of time!

Any unspent funds can be used at a future Fair, transferred to another student's account, donated to Share the Fair, or to shop online.
