🌷🌱 Help Our School Garden Grow! 🌻

Feeling generous? We'd love your help bringing our school garden to life! If you have any extra flower bulbs or seeds you'd like to donate, we'd be so grateful. Every little bit helps our garden bloom! 🌼💚

Thank you for helping our garden grow!

Exploring the Universe and Montana's Glacial History

Mrs. Firestone's Earth Science class had an exciting day of exploration, beginning with a visit to the Planetarium, where students observed a black hole and several other galaxies. Afterward, the class took in the breathtaking views of Hellgate Canyon, hiked the "M," and examined the striations left in the mountains by Glacial Lake Missoula. The trip provided students with a hands-on opportunity to connect classroom learning with the wonders of space and Montana's unique geological history.

If you didn't know about Glacial Lake Missoula I recommend checking it out!!!

Losing Your Head Over History!

Mr. Schultz's World History class took a memorable trip back to the French Revolution, learning about the beheadings that made this period so infamous. With a basket of beheaded heads as a visual, students got a glimpse into the dramatic reality of revolutionary France. Talk about a history lesson that's hard to keep your head around!

A Frightfully Good Time in the Wood Shop!

Mr. Schultz's Wood Shop class is getting creatively spooky! These projects are proof that when it comes to woodworking, this class really knows how to nail the spooky season!

MONTANA GEAR UP

College May Be More Affordable Than You Think!

Did you know you could attend a public college in Montana for less than $10,000 a year in tuition and fees? Your future may be closer—and more affordable—than you think!

GEAR UP is here to help you get a head start! We'll guide you through the financial aid process, help you complete college and scholarship applications, and provide a $1,000 scholarship to every graduating senior who pursues postsecondary education. Your future is worth investing in, and GEAR UP is here to help you get there!

Thank You GearUp for helping our 8th grade class get their first college visit

Missoula Childrens Theater

Missoula Children's Theater will be in Superior the week of November 9-13, with tryouts for parts in the play (it's Rapunzel this year) being after school on Monday, November 9th. Tryouts will be in the elementary gym, with schedules being given out then for the part you were chosen for. Practices will be after school every night that week, according to the part you received. Our dress rehearsal (for students only) will be held Friday, November 13 at 2:00 at Superior High School, with the public performance that evening at 7:00 pm. Mrs. Merrill will be our accompanist this year.

🎶 Making Music & Sharing Smiles! 🎵

Mrs. Merrill's Band and Choir students took their talents on the road for a special visit to the nursing home! They filled the room with music, smiles, and plenty of cheer as they entertained the residents with their wonderful performances. It was a heartwarming opportunity to share their love of music and brighten someone's day. Way to go, Band and Choir, for spreading joy one note at a time! ❤️🎶

Fall Leadership Summit:

This is a yearly BPA leadership conference held at Fairmont Hot Springs near Anaconda on October 4 - 5. This year, attending from Superior BPA was Juniper Spence, Graham Boyes, Kamryn Church, Lily Jasper and Nicholas Cooper. The students participated in workshops and group activities designed to introduce them to leadership roles and responsibilities within today's business world.

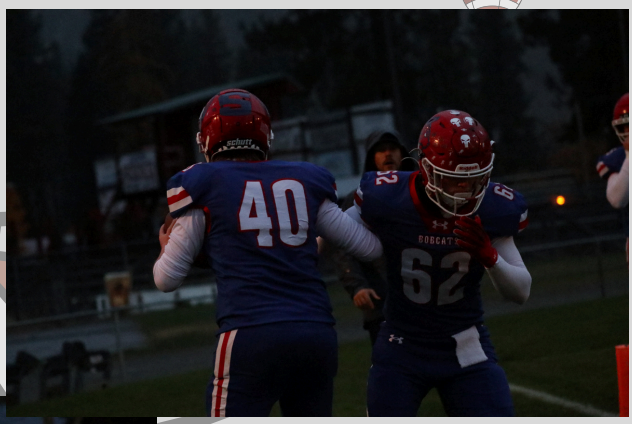

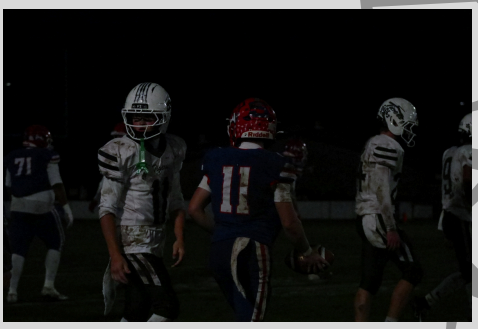

BPA will be hosting Turkey Bingo in the HS Multipurpose room on at 6 pm on November 8 (Sunday). Participants can win turkeys, hams and other great prizes. I will attach the flyer to with this email.

Mrs. Forsythes Art Class

Creative Fun with Collages!

Our students have been exploring their creativity by making collages! Using a variety of materials, colors, shapes, and textures, they created unique works of art that reflect their imagination and individual style. Collage-making encourages creativity, decision-making, and fine motor skills while allowing students to experiment with different ways to express themselves. We are so proud of their wonderful creations!

Adventure Awaits: Growing Readers at Superior Schools!

As we continue our journey through the Montana Reads Grant, we are excited to build on the progress we've made and look ahead to our Year 3 literacy goals! Our focus remains on strengthening reading, writing, speaking, and listening skills for ALL students, improving classroom instruction, and helping every Bobcat grow as a confident, capable learner.

One of our biggest goals this year is to bring families along on the adventure! We know that a love of reading doesn't begin and end in the classroom, and we want to create opportunities for families to enjoy literacy together.

Keep an eye out for some fun events we're dreaming up, including Reading by the Campfire, Reading Under the Stars, and maybe even Reading at Halftime! We're hoping to make reading an adventure that extends beyond our school walls.

Our goal is simple: Grow readers, build connections, and remind our students that adventure really does await when you open a book!

We hope you'll join us on the journey!
