I cannot count the number of times  
I shall go through this annual --  
but it will be many.  
I study each face in every picture

They help me remember the things  
I did and what a wild time I had.  
My memories of those unrelivable moments  
prove the year's success.

## Two Classes Added

Two classes were added to the curriculum this year: personal finance for those interested in business, and an art class for those with a creative flair. The junior high students were favored with home economics and an industrial arts class. Chorus was also added to some of their schedules to expand their knowledge of music. Offering more classes to the junior high kept them busier and helped prevent them from having too many study halls.

Personal was offered to LHS seniors. This class, taught by Gary Hepperle, gave the students an understanding of how to manage their finances better. Other classes offered in the business department were: book-keeping, business math, typing, shorthand, and office practice.

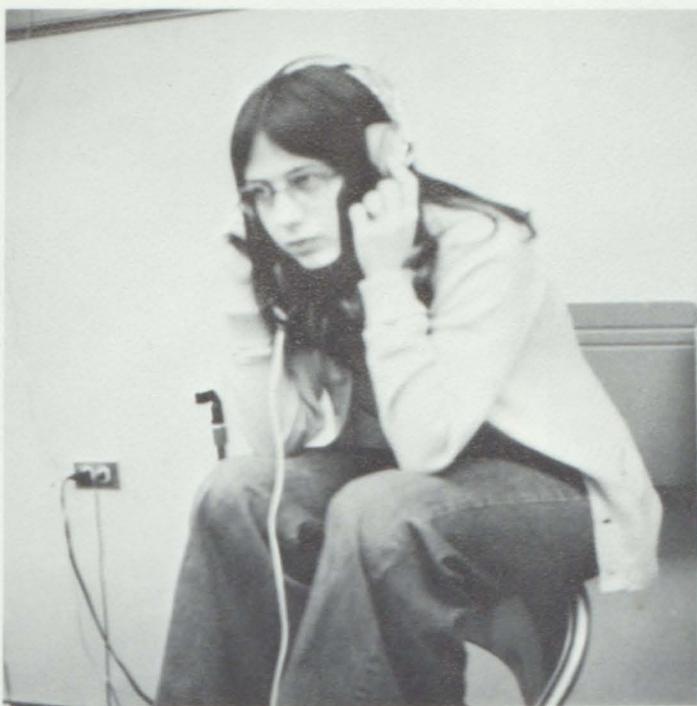

Mathematics courses again included advanced math, geometry, and algebra I and II. Chemistry, physics, biology, and general science were offered as science courses.

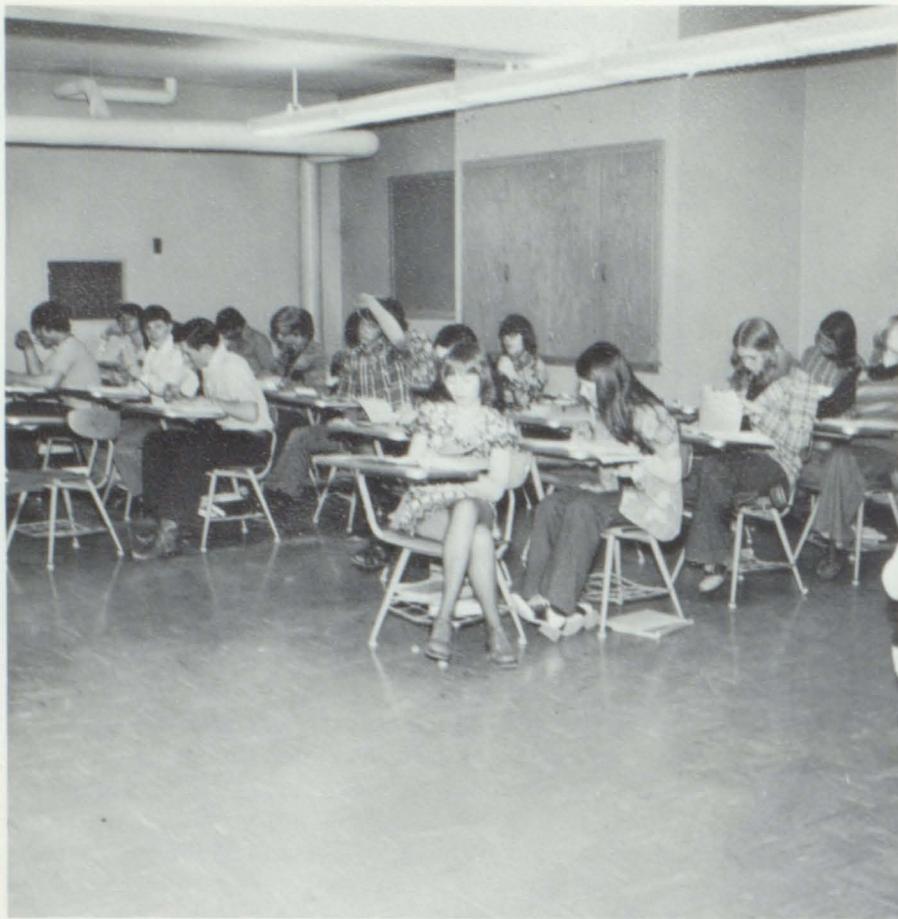

Art classes worked with sketching charcoal, water color, acrylics, and woodcarving throughout the year. Crafts classes made cradles, batik, and macrame.

History and government classes, taught by Mr. Bob Schumacher, learned how our country was founded and how the system works.

## *First Year German Added*

Drivers education was offered to freshmen only. Mrs. Jean Guffey aided students in speech therapy two or three days a week. German I was offered for the first year German students. English was a required subject for all students at LHS.

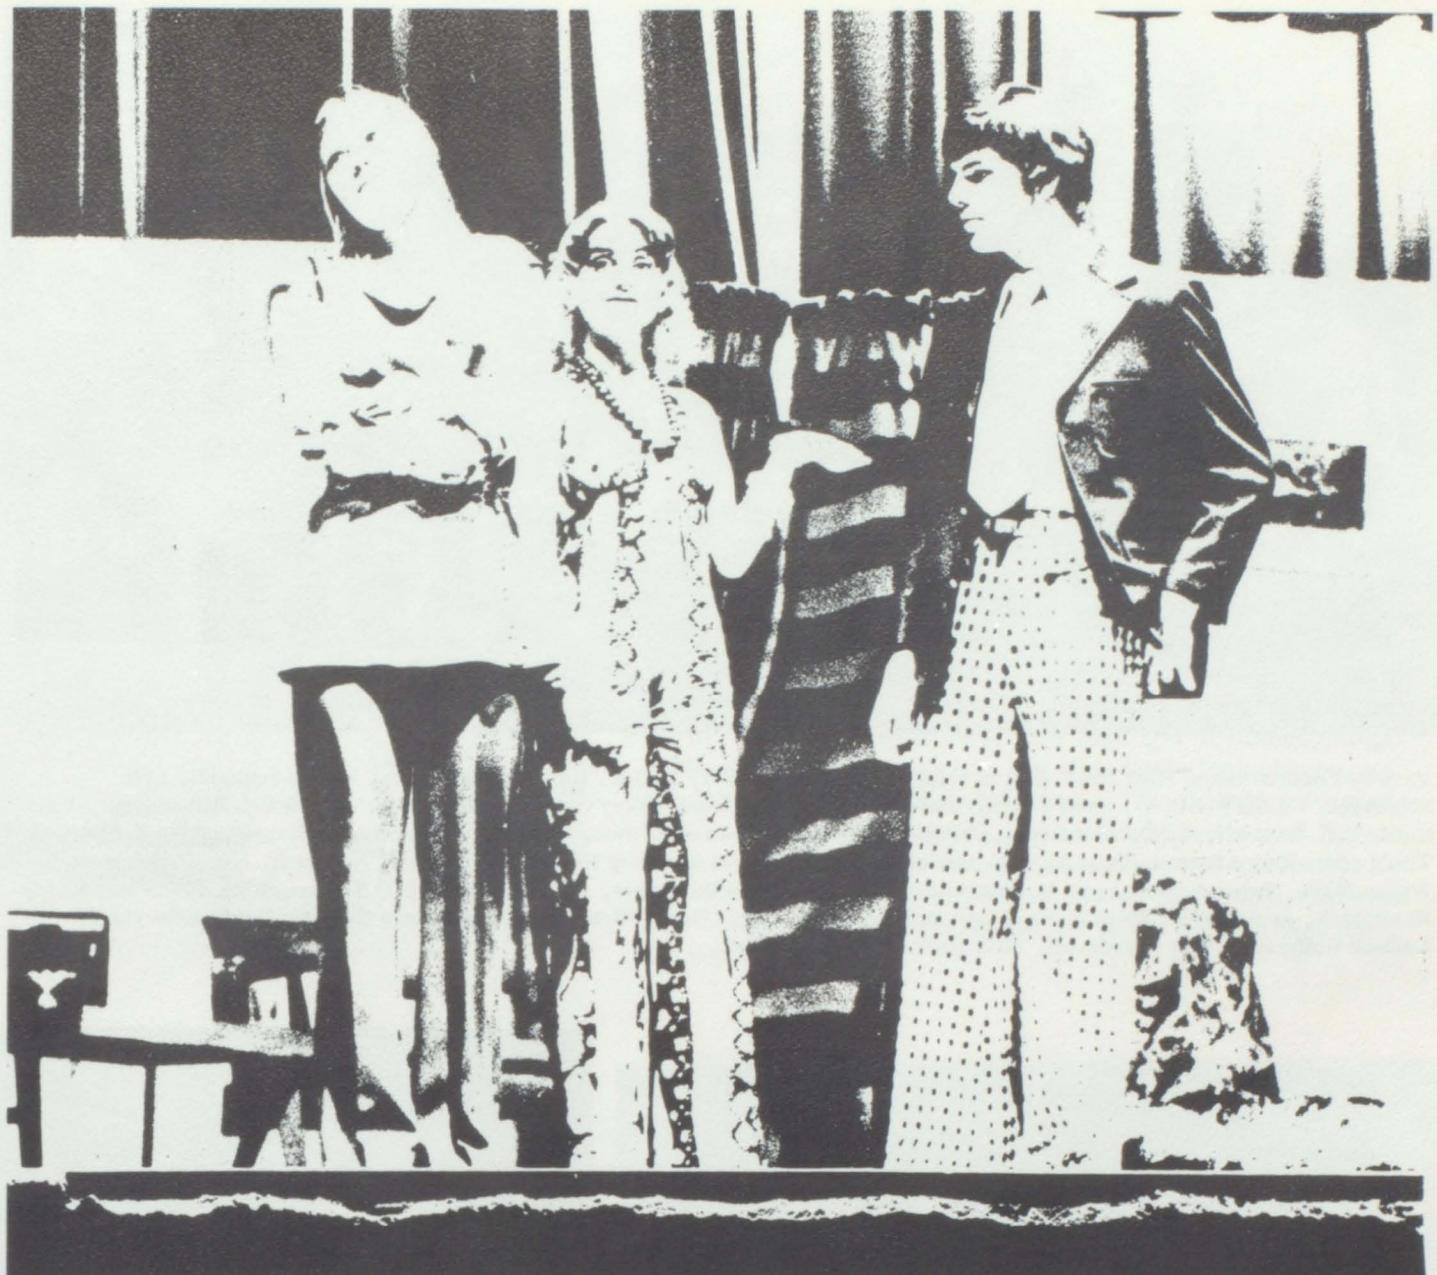

Home economics taught girls the fundamental of home making. Areas in which the home ec. students delved were: sewing, cooking, child care, and personal knowledge of oneself and of the community.

## Pirates Head State Poll

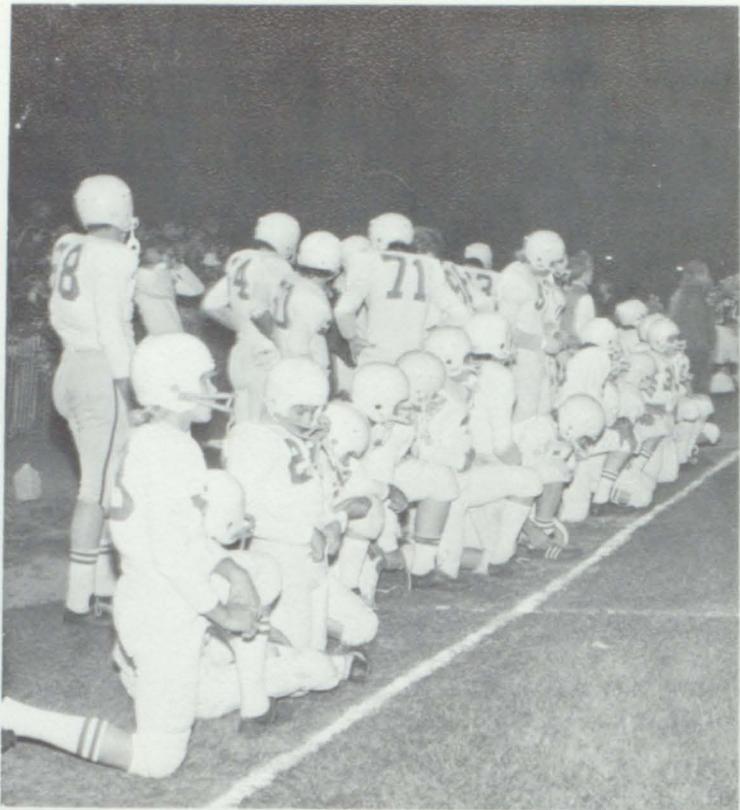

The blue and white machine accomplished their goal this year as they led the State Class B - 11 man football poll for the entire season.

The squad was made up of 45 members. Under the direction of Coach Larry Gauer, and Assistant Coach Bob Schumacher, they went all the way for a 9-0 record.

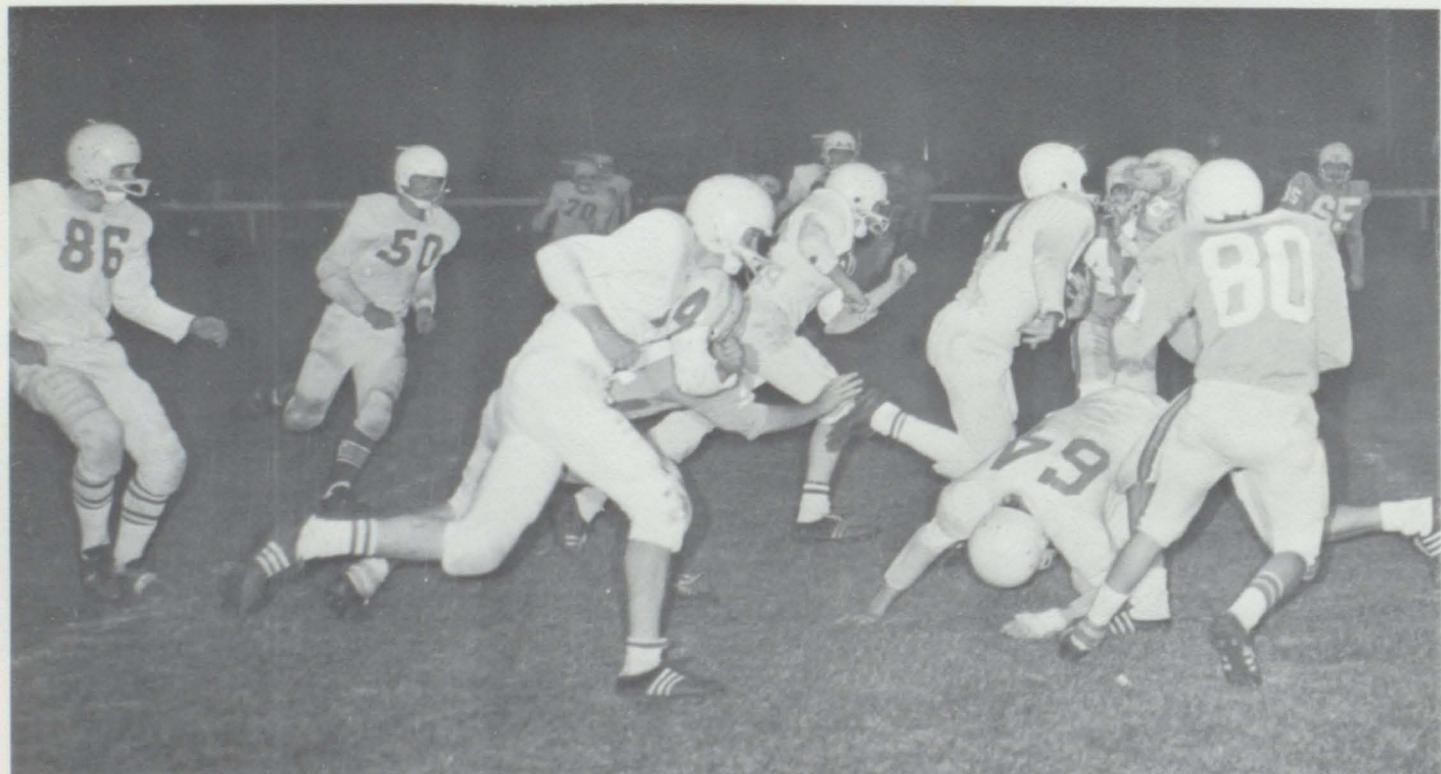

The Pirates came out strong against Ellendale, their first victim of the season. They were in charge the entire game. A week later the team had to put it all together to come from a 12 point deficit to beat the Britton Braves. Leola started the conference with a victory over their archrival Eureka. The Pirates gained momentum after defeating Northwestern in their Homecoming game. They went on to beat Ipswich by 50, and again topped Northwestern for the highlight of Homecoming. In the second Ipswich game, Big Blue again took charge, as the Junior Varsity saw much action. The champion Pirates finished the conference with a hard-fought battle with Eureka. They kept hitting hard, and won the game in the second half. The team wrapped up the perfect season on October 25, when they came from their second deficit of the year to beat the Aberdeen Juniors.

## Pirates Journey to State B

The Pirates, this year under the direction of Coach Gary Hepperle, proved their talent when they earned the right to represent Region II at the State B Tournament in Sioux Falls on March 7, 8, and 9.

As the season began, the record stayed quite even. They got by Groton, and lost to McLaughlin. The next two games saw the Pirates defeat Roscoe and Mobridge. Leola then met a tough Northwestern team, losing by one point on a last second shot by the opposition. Bowdle also beat the Pirates by a small margin.

In late December the team received second place honors in the Northern Conference Tournament. They beat Ipswich and again lost the Northwestern squad. January was a big peak for the Pirates. They didn't lose a single game in the entire month. Those falling to the Big Blue included Hecla, Ipswich, Britton, Eureka, Cresbard, Ashley, and Selby. Herried also fell to the Pirates, before Leola lost to Frederick by one point. They came back to beat Bristol by over thirty points and then lost to the Aberdeen Juniors and Langford.

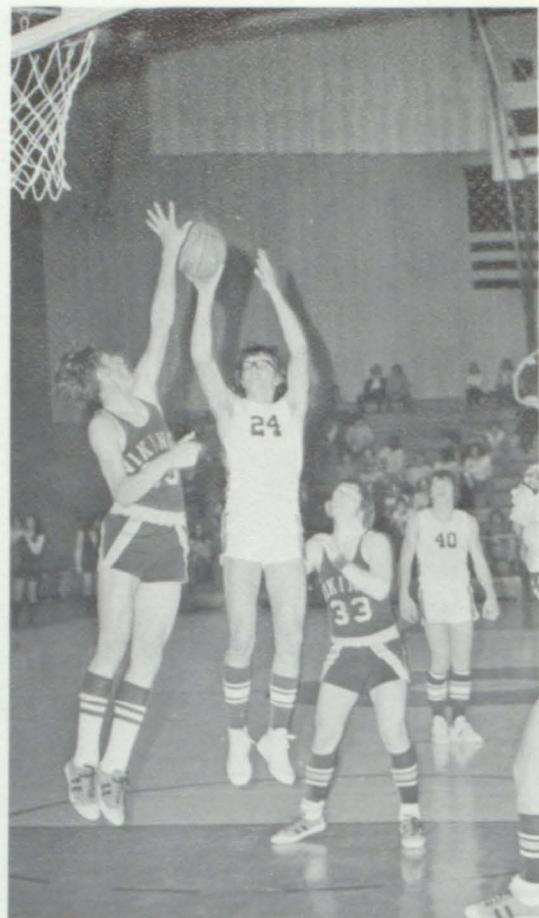

The Pirates took the District Five Tournament in Aberdeen by beating Frederick, Hosmer, and Eureka. In the highly competitive Region II Tourney, the blue squad defeated Faulkton by three points and Bowdle by two points. In the state tourney Leola lost to Parker, Bennett County, and Wagner for eighth place. The season record was 18-10.

# Wrestlers Finish Successful Year

The Pirate wrestlers ended their season under the direction of Coach Larry Gauer with a record of 8-3. Mr. Robert Schumacher was the assistant coach. The Pirates finished 3rd in the Northern Conference Tournament.

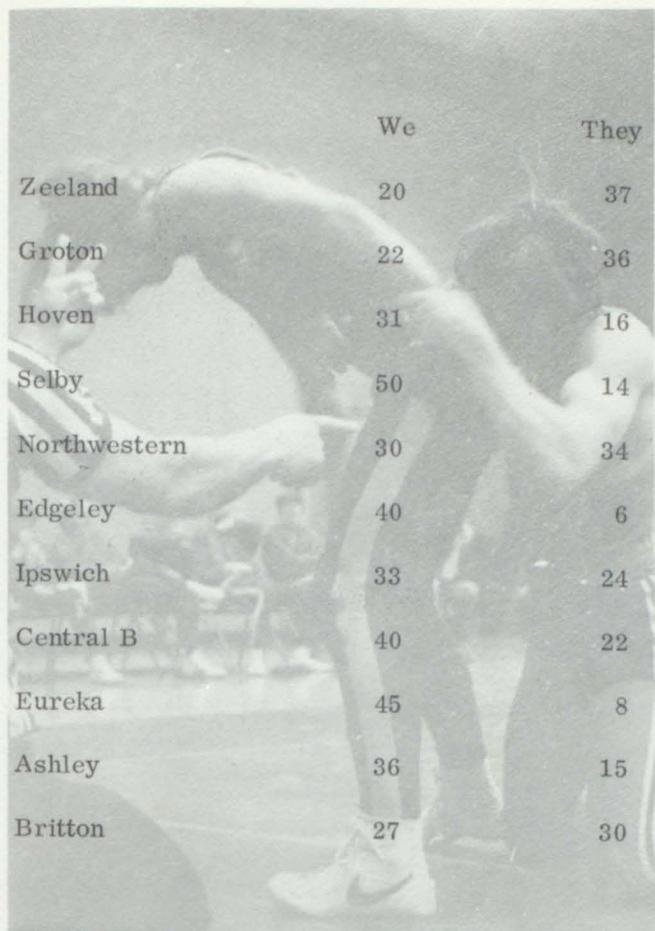

The squad had difficulty in the beginning of the season when they lost the first two matches, but after that they began to show their strength. The Pirates won their next eight dual matches, losing only to Britton in the last meet.

Leola participated in the Eureka Invitational Tournament and came home with second place honors. In the Hoven Invitational, it was the Leola Pirates winning first place. When the regular season was over, the matmen entered the District Tournament action. From here Quintin Ehley, Roy Geffre, and Pete Weisser advanced to the Regional, and Roy Geffre and Pete Weisser attended the state meet in Mitchell.

## Cheerleaders Promote Enthusiasm

These eleven vivacious girls have spirited most of the Big Blue events throughout the year. The football cheerleaders (also basketball and wrestling cheerleaders) were chosen in the spring of the previous year which gave them the opportunity to plan for the upcoming season. In September, the Northern State PE majors sponsored a cheerleading clinic which was attended by the football cheerleaders. The cheerleaders raised funds to pay for their skirts and shoes by sponsoring candy sales after school and sock hops following several games.

## Second Place in Street Marching Competition

Homecoming started the year for the LHS Band under the direction of Mr. Mick Guffey. From there they went to the Gypsy Day Parade in Aberdeen, South Dakota. The marching band won second place in the Class "A" street marching competition for the first year. The annual Christmas concert had a special note this year with a combined band and chorus number, "The Christmas Story" with Reverend August Borchardt.

Several honors were won by individual band members. Marcia and Sandra Hoffman were selected to All-State Band. Marcia played seventh seat baritone and Sandra played first seat B-flat clarinet. Many members participated in the Regional Music Contest in Aberdeen. Ten members and group won superior ratings.

The major project of the year for the department was the musical production, "South Pacific". Sixteen members composed the pit band and spent many grueling hours of practice and rehearsals.

The bands final appearance was at the "Awards Night" program.

## *"Inside Lester"*

On October 13th the LHS drama department presented a three-act farce entitled "Inside Lester". The play evolved around Lester Pelham, a noted mystery author, who accidentally swallowed a stolen diamond. The diamond had been carelessly mailed to him by George Fleming and his henchmen, Beck and Louie. Lester, his secretary, and her niece were then kidnapped by the group and taken to their hideout on an isolated island.

On the island, Lester was introduced to George's supposedly dumb girlfriend Casa. Several attempts were made to recover the diamond until Lester finally realized that Casa had played two ends and that he had really swallowed a cheap diamond. Pemtina Gordly Smith arrived just in time to save the group, and George and his gang were finally caught.

Lower left: Beck (Pam Smalley) carefully plans his next move as he and Louie (Kurtis Kolb) engage in a game of poker. Upper right: After being kidnapped by Beck and Louie, Maggie (Wanita Hoffman) is welcomed to the hide out by Casa (Patty Schemp) and George (Dwight Neuharth). Lower left. Tony (Karen Rueb) and Maggie go over old scripts before Lester (David Yost) arrives at the office.

## *"South Pacific"*

The LHS Music Department took on the tremendous task of presenting Roger's and Hammerstein's "South Pacific" on April 25th and 26th. The great success was due to the combined hard work and effort of both the band and chorus. The musical was under the direction of Mr. Michael Guffey and Mr. Jim Oschner.

The action took place during WW II. Deb Blumgardt portrayed an optimistic and naive girl (Nellie Forbush) from Little Rock, Arkansas. Nellie falls in love with a rich planter on a southern Pacific Island. Emile de Becque (Terry Zetterlund) asked Nellie to marry him. Even though she loved him, she refused because of the difference in their backgrounds.

In the meantime a native of the Island, Bloody Mary (Patti Kulm), and Luther Billis (Toby Rath) kept the action going with their schemes and dealings. Bloody Mary's daughter, Liat (Lori Gill), falls in love with Lt. Joseph Cable (Gary Rueb). Bloody Mary wanted to have them married, but Lt. Cable didn't see any future in it because of their different backgrounds.

The musical was climaxed by a secret mission for the army made by Lt. Cable and Emile. Only when Lt. Cable is reported dead, and Emile missing, does Nellie realize what a fool she's been for not marrying Emile. Nellie stays on the Island hoping Emile will return. As she and the children are watching the troops leave from Emile's terrace, Emile walks in, ending the musical.

The theme of the Leola Chapter of FHA was "Encounter". Their goal for this year was to let the community know about FHA.

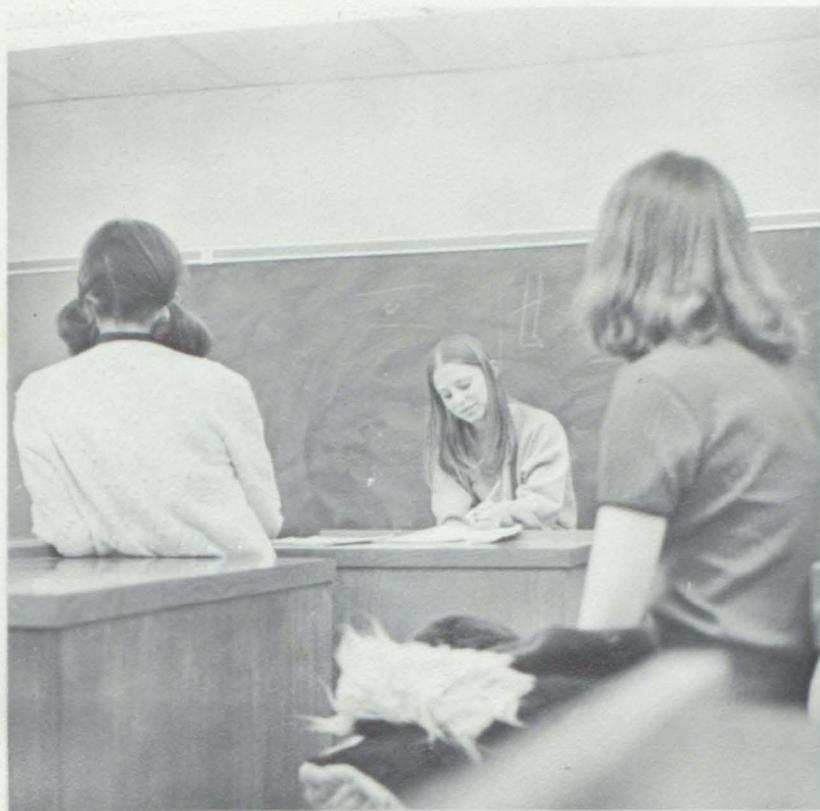

To reach the community they sponsored many activities that directly involved the community. They had a "get acquainted" party for the members and their mothers. A Beef Cook-off contest was sponsored for any students of LHS who wished to participate. The senior citizens were given a bingo party organized by the FHA. At Christmas they sent cookies to the overseas servicemen from the Leola area. A Pancake supper was held for the sponsorship of their orphan from the Christian Children's Fund.

The highlight of the year was the style show held in May, with the theme of "Color Your World With Fashion".

## Thirty-two Members on Paper Staff

Paper staff consisted of approximately thirty-two members. Each edition of the PIRATE CHATTER was a result of volunteers working on the stories of that month.

Cindy Haux, the editor, worked especially hard lining up stories, proofreading the material, and making sure the paper was out on time. Patti Kulm, assistant editor, attended a summer journalism camp in Brookings to prepare for her job next year as editor.

## Pirates Triumph on Homecoming

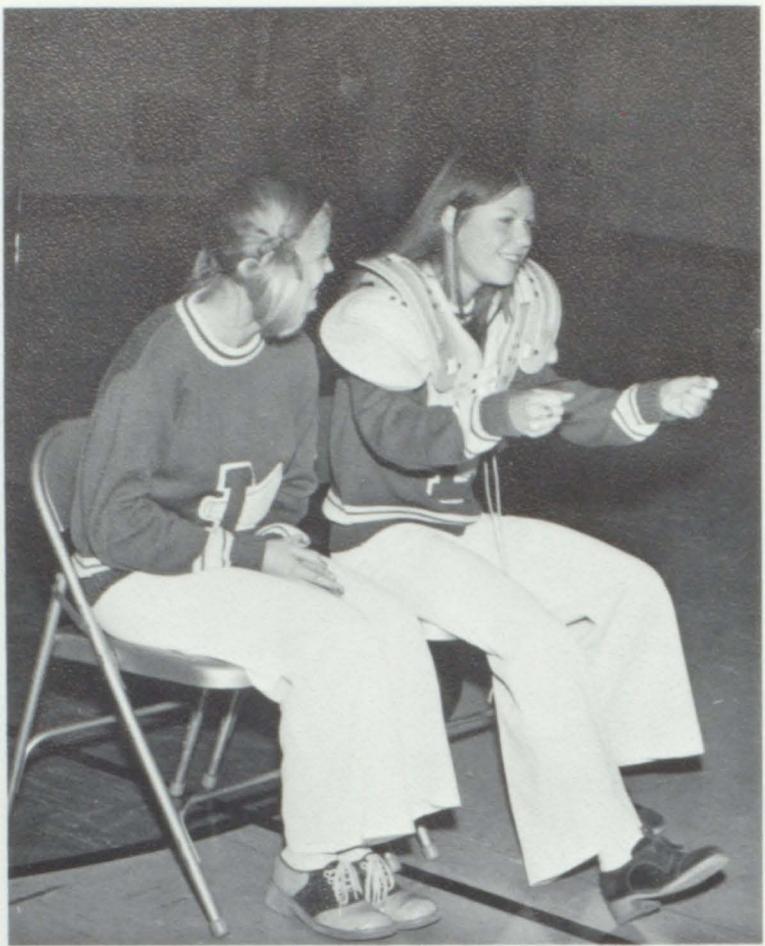

Homecoming got off to a firey start as Terry Zetterlund, president of Student Council, lit the bonfire. After a short, but enthusiastic pep fest, the coronation program got underway. The Homecoming candidates were introduced followed by skits and musical numbers presented by the classes, FHA, and the music department. The climax of the evening was the crowning of Dave Taylor and JoAnn Meier as the new Homecoming King and Queen.

A break from tradition was made by the discontinuance of freshmen initiation on Friday. The gap was filled with shortened class periods and a short performance by the band. The parade was again led by the color guard and the spirited marching band of LHS. Following the parade left but a few short hours before the highlight of Homecoming—the defeat of the Northwestern Wildcats. Homecoming was then brought to a close with a dance featuring "Meadowlark".

## *"Saturday In The Park"*

"Saturday In The Park" was the theme setting the mood for the Sweetheart Ball on February 16. The Ball was hosted by the sophomore class. The auditorium was decorated in streamers in yellow and green. A swing set in yellow with green accents, and park benches with scattered evergreens completed the park scene. "Meadowlark" provided the guests with music. Punch, cookies, and sandwiches were served for lunch.

Announcing Pete Weisser and Peggy Hoffman as the "Sweetheart" king and queen was the highlight of the evening. Other candidates were Marshal Hoffman, Sylvia Hoffman, Donna Fuehrer, John Swanson, Glen Hoffman, and Lloyd Brietag.

On April 20, 1974 the Leola High School gym was transformed into the "Garden of Eden" as the juniors decorated for the Junior-Senior Prom that evening. Months of careful planning came to a head as pastel streamers of yellow, pink, blue, and green were made to envelope the auditorium. Stuffed hedges and trees and a sparkling waterfall added to the effect.

The evening opened at 6:30 with a candle-light banquet, catered by Lu's Italian Villa. It was followed by the program with Toby Rath as master of ceremony. Dwight Neuhardt, president of the junior class, welcomed the seniors and their dates, class advisors, senior chaperones; Mr. and Mrs. Vincent Brandner and Mr. and Mrs. Elmer Wolff, and junior chaperones; Mr. and Mrs. Irvin Kulm and Mr. and Mrs. Denver Guthmiller. A response was then given by Quintin Ehley. "Time In a Bottle" was the first number of the evening sang by Deb Blumhardt followed by Mr. John Daly, speaker. His theme was the senior class moto. Carolyn Sieh and Lori Logan then performed a flute duet, "Color My World." The program was brought to a close with LeeAnn Swartzbauer reading the senior class wills and Patti Kulm reading the senior class prophecies. The affair was concluded with a dance featuring Toby Waldowski.

## Thorsness Addresses Class

Graduation began with the Baccalaureate service on Sunday, May 12. The speaker for this ceremony was Rev. August Borchardt. "Where Will You Find Love?" was the theme of his inspiring message. Mixed Octet and Girls' Triple Trio provided entertainment. Commencement exercises were held on the evening of May 17. A class of fifty-two received diplomas. Mr. Leo Thorsness, Sioux Falls, SD gave the commencement address. Mr. Thorsness encouraged the graduates to become involved in world affairs and to regard democracy as the best way of life. Janice Ketterling, Valedictorian, sang a vocal solo instead of giving the traditional speech, Karen Rueb also sang a vocal solo. The diplomas were awarded by Mr. Donald Zetterlund, vice-chairman of the Board of Education. Forty-five eighth graders also received certificates of achievement.

## *Four Exchange Students Join Class*

An international flavor was added to the year by having four foreign exchange students as members of the class. Ricardo "Bong" Baron, Philippines; Kirsti Hayrinens, Finland; Margit Meldgard, Denmark; and Jolentha Bemelman, Holland were with the class from the first of school on and shared in all the good and bad times.

Events that shaped the seniors memories were an undefeated football team, the "A" basketball squad going to the State B's, music concerts and contests, the musical "South Pacific", and also, lectures, tests and term papers. Many of the classroom discussions were held over such controversial topics as the movie "The Exorcist", the Watergate tapes, and the AIM trials.

Many of the seniors enjoyed the privilege of leaving school at 2:00 o'clock if they were in no classes 7th and 8th periods. Graduation on May 17th was the event all the seniors especially looked forward to during their last year at LHS.

## *Seniors Recognized*

Many members of the senior class were recognized for their outstanding accomplishments throughout the year. Terry Zetterlund was the outstanding athlete of the year as a result of his top performance in football and for participating in the State track meet. Craig Blumhardt was named to the fourth team All-State in basketball. Marcia Hoffman was selected for All-State Band. There are many more senior accomplishments that are too numerous to mention here.

Honor students were Janice Ketterling, highest honor, Marcia Hoffman and Debbie Mack, high honor.

## *Senior Highlights. . . State B's, Government Day, and Senior Prom*

Many of the seniors' highlights were the traditional activities of the school year. One of the main events was Homecoming, and senior enthusiasm, on and off the football field, led to a resounding victory.

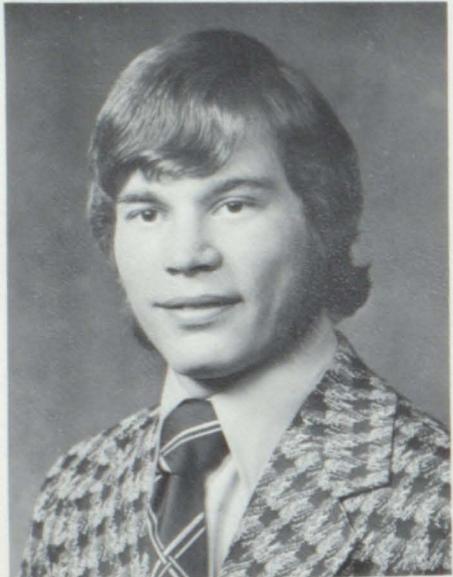

They supported their classmates on the basketball squad through District and Regional tournaments, and many of the seniors continued their support by their presence at the State "B" Tournament in Sioux Falls.

On Government Day the seniors made the traditional trip to Pierre and toured the capitol, the Soldiers and Sailors Memorial Museum and the Oahe Dam.

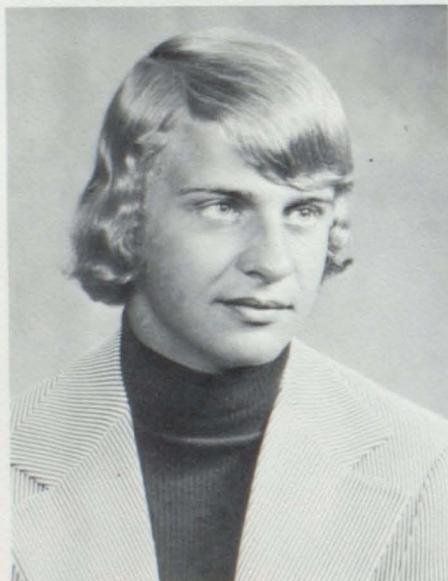

The seniors were honored guests at the Junior-Senior Prom and found it a most memorable occasion.

## Seniors Reflect Hopes

The seniors reflected their hope for the world in their class motto: "Together we can make the world poorer in hate, richer in love." The class flower was the yellow mum and class colors were blue and yellow.

## *Seniors Celebrate after Graduation*

May 17, 1974 was undoubtedly the most anticipated date of the year because on that date the fifty-two members of the class of '74 graduated. The address was given by Mr. Leo Thorsness and music provided by soloists Karen Rueb and Janice Ketterling. After graduation an old-time dance was held in Long Lake to celebrate this meritorious occasion.

## ***Juniors Plan Prom***

A year of hard work was put in by the juniors as they raised money, planned and decorated for the 1974 Junior-Senior prom. Plans began in December as Dwight Neuharth, president, set up various committees for decorating, food, and invitations.

For the first time concessions were sold at both football and basketball games. Other money raising projects included a raffle, dances, selling Pirate cushions, and a bake sale. Dates were set, decorations ordered, and the months of planning soon became reality.

Class rings were ordered and the juniors were given a choice of two companies to order from. Jostens were chosen and each individual ordered his choice of rings opposed to the class getting one type. Even though prices were higher due to the rise in the price of gold, most all class members ordered one.

## *Sophomores Sponsor Dances*

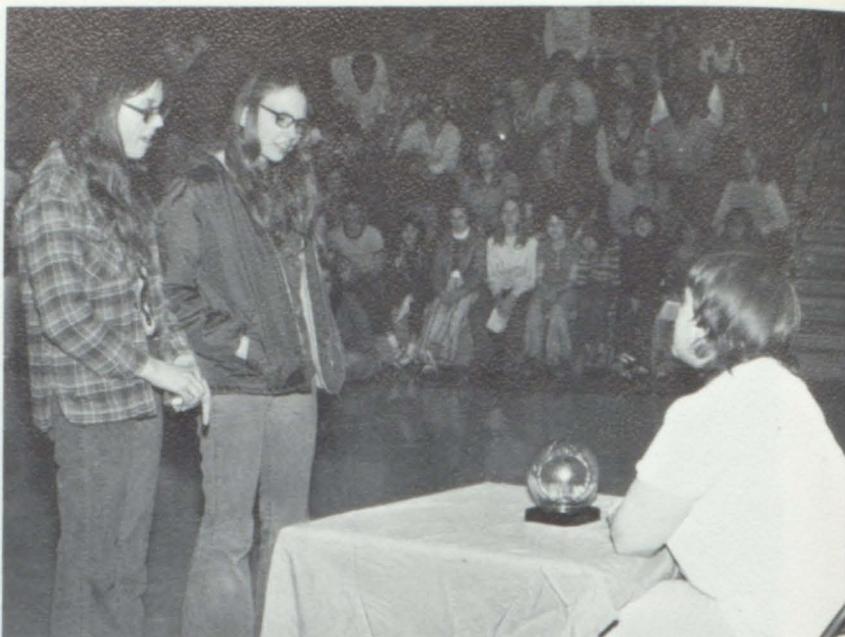

## Kallas Leads Sophomore Class

On August 24, 1973 forty-six sophomores were enrolled at Leola High School. Presiding over the class was LaDonna Kallas with the assistance of Mickey Skott as vice-president and Melody Meyer as secretary-treasurer. Student Council representatives were Cheryl Kracke and Warren Job.

The biggest event for the class was the Sweetheart Ball which took place on February 16, 1974. "Saturday in the Park", a contemporary song, was the theme. "Meadowlark" provided the music for the occasion.

In order for the sophomores to sponsor the Sweetheart Ball, they had to raise funds. They accomplished this by selling peanuts and having dances at the Leola Legion Hall. They also sold T-shirts.

Decorating the stage for commencement exercises was their responsibility as sophomores.

## *Frosh Strive for Future*

The class of '77 had just begun reaching for their goal of graduation. The traditional initiation of freshmen was discontinued, causing no disappointment for the freshmen.

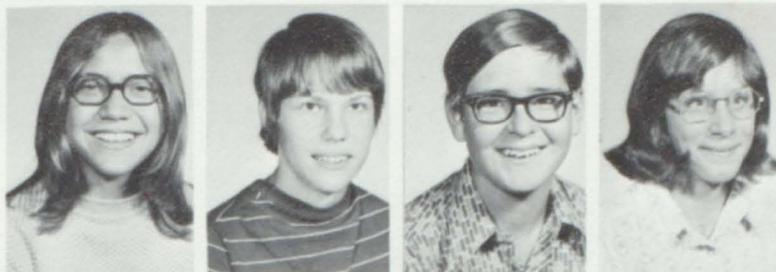

Each class had several activities. One of the activities of the freshmen was sponsoring the Halloween dance. Their first accomplishment at LHS was their Homecoming float, "The Planet of the Pirates", which won first place in the competition. Selling Pirate shirts was a fund-raising project for them.

Leading the class through the year were Wade Blumhardt, president, Earl Weisenburger, vice-president, and Ronnie Kappes, secretary-treasurer.

## Active Kids

Eighth graders participated enthusiastically in scholastic and social activities during their last year in grade school. During the year they sponsored a dance and also participated in high school sock hops. Eighth graders are in to athletics, F.H.A., and Library Club. Some also played in "A" and "B" band. The highlight of the year was graduation from junior high to high school.

Two new classes, home economics and shop, were added to their curriculum. Some of the high points of the year were the junior high dances and sock hops sponsored by F.H.A. and the cheerleaders. Many of the classes were also active in Library Club, F.H.A. cheerleading, and junior high athletics.

*I care . . .  
therefore I am*

In spite of dimmer lights and cooler temperatures, the teaching staff at LHS again managed to complete another school year. Three new members of the staff were Miss Jane Giedt, Mr. Jim Ochsner, and Mr. Mark McKean. S.D.E.A. was attended by some, while others enjoyed a five day vacation. They discussed Watergate and Nixon, adjusted to fuel shortages and time changes, and successfully taught the student body.

## *Sixth Graders Take Field Trips*

The biggest event of the year for the sixth graders was writing to the sixth graders in other small towns. There were many answers. One student received a letter from every student in the school to which he wrote.

One of the classes art projects was making profiles of the class of 1980. Another was making posters for the Junior Legion Poppy Contest. Essays were written and posters were made for the "Keep South Dakota Clean" contest.

Spring was spent taking field trips to complete their study of conservation. One trip was made to the Leola Dam.

## *Class Discovers*

The fifth and sixth graders studied different heritages this year. The foreign exchange student from Holland showed slides of her country and told about her way of life. The fifth graders made Indian houses and an Egyptian mummy while studying ancient civilizations.

For Mother's Day the class made jewelry for their mothers.

## Fifth-graders Search

The fifth graders has many different projects this year. In order to learn about other places in the United States, each student wrote to the fifth grade class in the city he found most interesting.

To improve on their spelling, the students played a game called "Sick Bed". Every student was on the fifth grade honor roll the first nine weeks, but only the ones who made an improvement were allowed to stay on.

To get into a holiday mood, they composed short sayings on what Christmas meant to them. There were many interesting responses.

The fourth grade class was really fired up this year when they built a volcano that actually erupted! It worked very well. They also built a desert terrarium to follow-up their studies.

"The Big Four" was their class paper. Everyone contributed to make it a success.

One of the main highlights of the year was making homemade ice cream at Christmas. It made their Christmas party a special one.

## *Who, What, and Where?*

The fourth graders played a game called "Who, What, and Where". It was about historical people, places, and events. They furthered their study by making Indian tribal homes.

By experimenting with salt, the class learned how rock crystals are formed.

Right: Fourth graders observe some historical pictures while playing "Who, What, and Where".

## Third-graders Experiment

As part of geography, this class made paper mache' globes out of balloons. To further their studies, the third graders built a terrarium. They also experimented with carbon dioxide and made a fire extinguisher.

When combining art class with a popcorn party, the third graders came up with popcorn pictures depicting winter scenes.

Each second grader who learned the Flag Salute was given a miniature flag by the Legion Auxilliary.

This class also danced at half time of a basketball game.

## First-graders Perform

Besides beginning to learn to read and write, the first graders had some projects just for fun. One was making a Thanksgiving sandbox, containing all the different kinds of autumn leaves and twigs that they could find.

One of the high points of their year was performing at half time at a basketball game.

In this past year

I have accepted the challenges given me  
and strived to fulfill them.

I have acquired many memories  
and even learned a few things along the way.  
My teachers and friends have been a great help,  
and I thank them.

I have taken a giant step  
toward reaching my final goal.
