Homecoming Coronations 2026

It's A Royal Affair: Reigning In Pink

Homecoming in East Feliciana Public Schools is a storied tradition with two distinct purposes: honoring our distinguished past and looking forward with hope and optimism for the future of our community. Our coronation ceremonies were a portrait of the unity required to build that bright future - together. We are proud of those who we crowned last week as they begin to emerge as empowered leaders. They joined an unbroken lineage of pride and heritage that represents the very best of East Feliciana Parish. This year's theme, "It's a Royal Affair: Reigning in Pink," reflects the pride, tradition, and unity that make our school community so special. As we share in celebration, let us embrace the spirit of our district motto: "Excellence Every Day: One Vision, One Community." Thank you to all who joined us as we honored our traditions, celebrated our achievements, and created lasting memories together.
