GVMS Parent Pick Up Procedure

Grand Valley Middle School would like to share the after school pick up procedure. For all parents/guardians who will pick up their children after school **(on a regular basis),** they will need to be picked up on the **Northside** Middle School entrance. In order to do this, you ***must*** register your vehicle and your vehicle **must** have the pick-up tag displayed clearly on the passenger side of the dashboard of the vehicle so that the teacher who is releasing your child can see the number. (see picture below).

Please come to the Middle School front office to fill out your form with Mrs. Whitright. Students will be dismissed at **2:28pm** and head to the North entrance for pick-up. Without a pick-up tag, children will **not be** dismissed to a vehicle.

This means that you no longer have to sign out your child and can pull up to the door where your child will be released after the number on your tag is checked and verified for your child. You do not have to exit the vehicle. Please bear with us, the first few days of school may be slower than normal while we work out the kinks and students get into a routine.

Thank you.
