Family Newsletter

November 21st, 2025

Hello Andalusia Families!

This month our Character Strong focus is Gratitude! Mrs. Baker, High School Principal, and Mrs. Hatchel, Dual Credit Speech Teacher, brought seven senior students down to talk about what they are grateful for! The high schoolers talked about their families, friends, coaches, teachers, and more. They emphasized the importance of being thankful for what you have and not always worrying about what you do not have. They told our students you can show gratitude in everything you do! It can be as simple as a thank you. The students did a great job listening, and had some great questions. One of the questions was who taught them how to be grateful. The students answered with their parents. So, thank you to our parents for raising such great kids! I explained to our students that one day they will get to stand on stage and present to the next generation of Rockets about what they are thankful for.

It is the season of gratefulness! I wanted to take a moment to express my sincere gratitude for being a part of our students' lives. They make me smile and laugh every day. I look forward to every morning when I get to greet them to start their day. It is an honor to do this job for the future of this community. Thank you to all of you for sharing your students with us every day!
