Handbook Highlight

Hello Andalusia Families!

I hope everyone is having a great Labor Day weekend, and Happy Labor Day to all. I hope you had the chance to relax and reset.

This week, we will be MAP testing! It is very important that students get a good breakfast and/or lunch before testing.

We are hoping for a cooler building! Thank you to everyone for your patience. I know it requires flexibility on your part, and so thank you for your support.

Tuesday's Breakfast and Lunch Menu will remain the same. If there are any menu items that will change, then I will send out an update on that as well!

We will be moving our first fire drill practice to a week from now. We want to make sure we get through MAP testing.

Here is to hoping for a cooler week!

As always, thank you for letting us be the present in your child's future.

Mrs. Saey

I have seen many students with drinks in their lunches that are not allowed. We do not allow Prime, Gatorade, Body Armor, and so forth. When students spill these, they leave stains on our tables and floors that does not wash out. In addition, we are not sure what students' reactions can be towards drinks. Please make sure you are following our policy for drinks. I know it is hot, but we still have a water only policy in class and water, juice boxes, and milk in lunches. If your student packs their own lunch (awesome!), please just make sure they are aware of the rule as well. They are often surprised when I tell them they cannot have said drink of choice.

Soda, Gatorade, and other energy drinks are NOT allowed in cold lunches.
