PRESCRIPTION PICK UP!

PreScripton and over the counter medications that students have in the office will need to be picked up by a parent/guardian on the students last day of school. Medications that are not picked up will be disposed of after the last day of school.

Thank you!

MS. WINN – MUSIC

The week of "May the 4th" we had Star Wars week! Students played rhythms with partners on foam lightsabers and did some listening/movement activities using songs from the movies, including a parachute routine. Last week we did an ocean-themed unit to close out the year, which included singing "Down By the Bay", playing boomwhackers, and playing a singing game involving a mischievous octopus who likes to eat fish. This week, students created a choice wheel with their favorite activities from the year. Each day this week, we spun the wheel to decide the activity for each class.

MISS KAY – HEALTH AIDE

MR. VIREN – PE

We finished up lawn games! We played some kick ball this last week, and they got to pick the activity for yes day. My first year here has been nothing but fantastic and I loved getting to know and teach all of your children! Have a great and relaxing summer!

Mr. V

MS. TAMMY – KITCHEN

The end is here! Thanks for letting us hang with your kids for the school year. Good luck to the 2nd graders "moving on up"! Enjoy your summer and we'll see K and 1st back next year, along with our new K class, and Pre-K class!!! It'll be an exciting change.

Ms. Tammy
