Updates and Information

Happy Friday TRE Families and Friends.

It was a great week here at Taylor Ridge Elementary! Thank you all for the support with the Food Drive over the past two weeks! We have collected SO many items! Officially, **1540 total donations!**

Our students participated in the Veteran's Day assembly on Tuesday. We received many compliments on how well our students displayed respect during the assembly, as well as compliments on their beautiful singing!

Please check out the flyer from Miss Winn regarding the upcoming K-2 Holiday Concert.

If you have a student who will be entering Kindergarten next year, please click this link and fill out the form!

Dear families,
Your K-2 students have been learning and growing every day in music class! While this doesn't include *everything* we've done, here is an overview of how your kids have been playing, singing, moving, and creating this fall.

Playing

Kids have been brushing up on their small percussion instrument skills. We have worked a lot on proper instrument technique and care, and have practiced during the song Autumn is Here, as well as other fall play along songs.

Creating

Students created sound effects to go along with the Halloween story, The Little Old Lady Who Was Not Afraid of Anything. 1st and 2nd grade used their can stations and Kindergarten used a variety of classroom instruments. Also, kindergarten created their own verses to the song, Spider on the Floor, while using fake spiders to match the words.

Singing

Autumn is Here, Pass the Witch's Broomstick, and Pass the Pumpkin are songs that have had students singing confidently and independently. The two passing games are always big hits that improve steady beat skill. I was so impressed with them!

Moving

All students enjoyed hearing the story and moving to the beat of Edvard Grieg's "In the Hall of the Mountain King". It gets faster as the song goes on, so they needed to move quickly to keep up! Kindergarten explored calm scarf movement to Fall songs. 1st and 2nd grade also learned about musical form while performing a cup routine to the Addams Family theme song.

Gratitude

Kindergarten

Naming our emotions is an important first step to managing our emotions. This month, Kindergarten students will focus on identifying their emotions using the Emotion Elements.

First Grade

Understanding how we are feeling helps us build self-awareness. This month, 1st grade students will work on emotion awareness by using the Emotion Elements. We will also use body cues to help us accurately identify our emotions.

Second Grade

It's important to be able to understand and manage our emotions. This month, 2nd graders will use the Emotion Elements to name their emotions, and practice applying strategies to regulate their emotions.

Emotion Elements

- **Bree** represents feeling silly, nervous, playful, or distracted.
- **Brooks** represents feeling sad, lonely, tired, or embarrassed.
- **Ember** represents feeling angry, frustrated, excited, or scared.
- **Terra** represents emotions like calm, focused, proud, or happy.

Overview

We are looking forward to focusing on Gratitude this month! One way to think about Gratitude is "choosing to appreciate the people and things in our lives." Practicing Gratitude can increase our well-being and our happiness. Gratitude is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress management.

Emotion Regulation Strategies

- Breathe It Out - take a nice deep breath or try out a specific breathing strategy
- Move It Out - move away from the situation or get some exercise
- Talk It Out - talk to a trusted adult about how you feel
