Updates and Information

Happy Friday, TRE Families and Friends.

Hopefully, this week has been a great one for you and yours! A lot was accomplished this week, and students are executing the routines and procedures here at school like pros!

Mrs. Norris has shifted from her position as a paraprofessional in our building to become our new secretary! She can be reached by email at **dnorris@rr300.org.**

Have any gently used kids' clothes sitting in a donation bin at home? We'd love to take them off your hands! We're building back up our school "accident" closet so quick mishaps don't derail anyone's school day. If you're able to help out, please reach out to your child's teacher. We appreciate your generosity!

Homecoming week is upon us next week! Please see the flyer below with information about dress-up days.

You should have received information regarding Donuts with Grown-Ups this week. The flyer and signup link are attached below.

As always, if you have any questions for us at TRE, feel free to contact the office at (309) 793-8070 or tgoben@rr300.org

NURSE NOTES

SEPTEMBER IS FRUITS AND VEGETABLES MONTH

- Creating new habits is the ultimate way to make eating more fruits and veggies easy.
- If you're trying to eat more fruits and vegetables, focus on flavor! If something is delicious you're going to want to eat it again.
- Repeated exposure — trying something again and again — can make fruits and veggies tastier over time.
- When it comes to building new habits, think progress over perfection.
- Embracing all forms of fruits and vegetables (fresh, frozen, canned, dried and 100% juice) can make eating more fruits and veggies easier.
- Fruits and vegetables are packed with a variety of flavors and textures that can make meal and snack time more enjoyable.
- Explore new flavor pairings by combining fruits and vegetables with other foods, like lean protein, whole grains or low fat/fat free dairy.

TR/IC SEL NEWSLETTER

SEPTEMBER 2026

Respect

This month's focus is Respect. One way to think about Respect is "seeing value in all people and things & treating them with care." Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Kindergarten:

Listening to others is an important life skill – and it takes practice! In Kindergarten, we are focusing on listening skills this month. Being a good listener helps us show Respect to other people and treat them with care.

First Grade:

Friendship skills are life skills! In 1st grade this month, we are focusing on friendship. An important part of being a good friend is seeing value in others and treating them with care, which is practicing Respect!

Second Grade:

We all experience conflict in life. Whether we are frustrated with a friend or in an argument with a family member, we need tools to help us navigate conflict successfully. This month's focus for 2nd grade is on understanding conflict resolution through practicing Respect for others. This month, students will practice using the Tree of Choices, which is a simple tool to lead us toward successful conflict resolution

Skills:

Great listeners have:

1. Eyes are ready.
2. Ears are listening.
3. Brain is focused
4. Heart is caring

Tree of Choices:

1. The Roots of the Tree: Identifying if the problem is big or small.
2. The Heart of the Tree: Naming the emotions you are feeling.
3. The Branches of the Tree: Make a choice to:

Move it out
Talk it out
Breathe it out

Conversation Starts

- Can you share or show what Respect means?
- Why do you think it is important to use Strong Listening when practicing Respect?
- Why do you think it is important to be Respectful as a friend?
- Tell me about the Tree of Choices. Which part is easiest for you? Most challenging?

Thank you,

Mrs. Sywassink & Mrs. Stice

IF YOU GET A CALL FROM US...

A call from one of us doesn't automatically mean your child needs to go home.

- AMANDA LEWIS, DISTRICT RN
- JESSICA STUBBS, ELEMENTARY RN
- KRISTEN TUCKER, ILLINIOS CITY HEALTH AID

1 If they HAVE to go home, we will tell you.

If your child meets exclusion criteria or otherwise needs to leave school, we will specifically tell you they need to be picked up. That decision will be based on health and safety criteria we are required to follow. If we send your child home there will be instructions for return to follow.

****This absence is considered a Nurse EXCUSED absence and additional days if necessary****

2 If we DON'T say they have to go home, YOU HAVE OPTIONS

If they don't meet exclusion criteria but you still get a call from us, it's because I want your input on what to do next.

You can:

Talk to your child. We are always happy to put them on the phone

Send them back to class. You know your child best.

Pick them up anyway. That choice is always yours.

most times this will not be an excused absence

One quick note: Our offices can get pretty busy, you may not receive a call for every minor visit.

If you need to reach us:

- Amanda Lewis JH/HS/IL City
  309-793-8040
  alewis@rr300.org
- Jessica Stubbs Elementary
  309-793-8080
  jstubbs@rr300.org
- Kristen Tucker Illinois City
  309-793-8090
  ktucker@rr300.org

Every day in the classroom counts! While we always want to make sure your children are safe and comfortable, our main goal is to keep them in school and engaged in learning.

We know that minor, everyday aches and pains pop up from time to time. Often, a quick rest in the health office, a glass of water, or a little encouragement is all it takes to get them feeling ready to conquer the rest of their school day without needing to go home.
