Hello,

Thursday, October 8th is our Donuts with Grown-ups Event at Taylor Ridge Elementary! We are thrilled to have so many people signed up to come and enjoy a treat with their student(s)! With that, I have a few things that I need to ask of you as guests in our building.

As you may or may not know, our Parking Lot and Gym are not the largest by any means. Please help us limit traffic and congestion in the parking lot by not arriving too early for your students' time slot, as well as making goodbyes short and sweet when it is time for them to return to class. The time windows are listed below.
Time slots:
**Second Grade — 8:30–9:15 a.m.**
**First Grade — 9:30–10:15 a.m.**
**Kindergarten — 10:30–11:15 a.m.**

Guests can enter the building through the gym door (#3) or the main entrance of the building.

Parking will be available in the parking lot, and we will have extra/overflow parking available in the outfield of the ball diamond adjacent to the lot. Please exercise caution when traveling through the lot and exiting onto Turkey Hollow Road. We would like to avoid anyone parking on Turkey Hollow Road or Route 192 if at all possible.

If you are a guest of multiple students in different grade levels, younger students will attend their older sibling's time slot. We ask that you join for the time slot of your eldest student.
(Ex: Guests of a ***first-grade student and a Kindergarten student*** should attend the **first-grade time slot**.)

Seating may (will) be limited in the gym, so I apologize in advance if it feels cramped in our space. There will be the option to sit outside with your student(s). While seating outside may be limited as well, it should be a nice day! We appreciate your flexibility!

The book fair will also be open for shopping in the gym during this time. Please check out the teacher bins containing books that are on your students' teachers' wishlists. We thank you for your continued support!

If you have any questions, feel free to contact our main office at (309) 793-8070.

Thank you,

Mr. Goben
