WHAT IS TITLE I?

What is Title I?

Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to states and school districts to meet the needs of educationally at-risk students. The goal of Title I is to provide extra instructional services and activities which support students identified as failing or most at risk of failing the state's challenging performance standards in mathematics, reading, and writing.

What will Title I do for my student?

The Title I program provides students with extra educational assistance beyond the regular classroom, known as Academic Intervention Services or AIS.

Which schools does Title I serve?

The program serves students in elementary and secondary (middle and high) schools who have demonstrated that extra assistance is needed.

How does our school receive Title I money?

First, the federal government provides funding to each state. Then, each State Educational Agency sends money to its school district. Schools receive funding based upon the number of low-income students attending that school.

Who receives services under Title I?

Title I Schools identify the students at their school who need the most educational assistance based on the criteria that school has chosen (state assessments are one measure). Students do not have to be from low-income families to receive Title I services.

How is Title I funding used?

Title I funding is used for salaries for additional teachers and aides, opportunities for professional development for school staff, additional teaching materials which supplement a student's regular instruction and development of curriculum that is aligned with the Common Core Learning Standards and programs to help students succeed.

The Important Role of Parents:

Parents, you can influence the success of your student in school more than any teacher or federal program. By becoming an active participant in the Title I parent involvement plan at your school, you will:

- Serve as a role model, showing your student that you support his/her education.
- Assure that you are aware of your student's educational progress; thereby demonstrating how important that progress is to you.
- Teach your student that your input at the school is appreciated and that you support its efforts.

Research shows that how well students do in school depends a great deal upon how much their parents get involved in their education. You can become more involved by:

- Joining local and national school/parent organizations.
- Supporting school extra-curricular activities.
- Volunteering at the school.
- Attending parent-teacher conferences.
- Communicating with your student's teacher regularly, by writing notes, telephoning the school, etc.
- Keeping your student's teacher informed about events in his or her life which may affect his/her performance at school.
- Discussing with your student's teacher and parent organizations other ideas for parent involvement.

For more information, please visit the U. S. Education Department website at http://www2.ed.gov/policy/elsec/leg/esea02/pg1.html or call the Title I representative in your District: 518-622-0261.

Special Education Child Find

Child Find refers to the process of locating, identifying and evaluating children with disabilities to ensure that they receive services to which they are entitled. Children and youth, ages three to 21, living in the Cairo-Durham Central School District, who are suspected of having a disability, may be referred for a possible evaluation to determine if they are eligible for special education services. This includes district residents who may be home-schooled or are attending private school.

If you are aware of a preschool child, from ages three through five, or a school age student from five through 21 years old who may be in need of special education services, please the Office of Pupil Personnel Services, Douglas Morrissey, Director, at (518) 622-0261.

TEACHER QUALIFICATIONS

In accordance with the federal No Child Left Behind Act of 2001, parents and guardians have the right to request and review specific information about the professional qualifications of their children's classroom. As the parent/guardian of a student in the Cairo-Durham Central School District, you have the right to request the following information about your child's/children's teachers:

- Whether the teacher has met New York State qualifications and licensing criteria for the grade levels and subject areas he or she teaches;
- Whether the teacher is teaching under emergency or other provisional status through which the State qualifications or licensing criteria have been waived;
- The teacher's college major;
- Whether the teacher has any advanced degrees and, if so, the subject of the degrees;
- If your child is provided services by any instructional aides or similar paraprofessionals, the services provided to your child and the aide's or paraprofessional's qualifications.

Requests for information about the qualifications of your child's/children's teacher(s) should be directed to the Pupil Services Office at 622-0261.

HOMELESS STUDENTS

Per Federal Law, all programs and services of the Cairo-Durham Central School District are available to homeless students and unaccompanied youth. Whenever a homeless child or unaccompanied youth seeks to enroll in the District, and at least twice annually while the child is enrolled, the parent and child will be informed of their rights. Some of these are the right to attend the school they previously attended or to attend school in the district of current location, the right to be enrolled and to attend school even though the required admission documentation has not yet been provided and prior student records might not be available, and the right to transportation to and from school.

The District has a designated liaison for homeless children and youth. Please contact Pupil Services Office at 622-0261 for additional information.

LIMITED ENGLISH-PROFICIENT STUDENTS

Per Federal Law, within thirty (30) days of the start of the school year, parents of Limited English-Proficient students will be notified if their child is participating in, or identified as eligible for English-as-a-New Language (ENL) services. Parents will also be notified within two weeks after placement if their child is placed in such programs or will receive such services after the beginning of the school year.

CAIRO PUBLIC LIBRARY

HOURS:

Monday, Tuesday & Wednesday	10:00a.m.-5:00p.m.
Thursday	1:00p.m.-7:00p.m.
Friday	10:00a.m.-3:00p.m
Saturday	10:00a.m.-2:00p.m.
Sunday	Closed

SCHOOL CLOSINGS

In addition to the District Website, phone and text notifications about school closings, there are many places to check for school closing and delay status, such as:

WNYT (NewsChannel 13)
WRGB (CBS 6)
WTEN (News10 ABC)
Spectrum News
Times Union
Calling the Transportation Department's phone line

DELAYED OPENING

Should weather conditions be such that schools might be able to open safely later than the regular time, notices of such starting time will be broadcast over the media stations listed above.

EARLY CLOSING

If weather conditions necessitate the closing of school earlier than the regular dismissal, such notice will be broadcast over the media stations listed above. In such cases the Middle School/High School will be dismissed first, followed by the release of the elementary school students. Please do not call the radio or television stations or the schools to determine if school will be delayed or closed. Please listen to one of the stations listed above. Announcements will be made at regular intervals. If schools are closed during the day for any reason, all evening activities and adult education classes are automatically canceled.
