"Starting out on the right foot" has been the main object of us freshmen this year.

Activities of our class have been numerous. We enjoyed being hosts to the sophomores at a thank-you party. We also enjoyed going to our first semi-formal.

Many of us are in chorus and band, and we are looking forward to these activities for the following three years.

While we are anxious to start our next three years of H.S. we will always remember our "Green" year.

We sophomores are looking forward to our junior year when we will be called "upper classmen."

The 'Hobo Party' that we gave the "Greenies" was complete right down to the pork and beans which we presented to the king and queen.

We sophomores have gotten "into the swing of things" this year. Boasting three cheerleaders and players, we actively participate in sports.

With the end of '63-'64 starts our responsibility as upper classmen. We are anxiously waiting for our next two years at W.H.S.

This has been a very eventful year for us Juniors. The highlights of this year were the Prom, Junior-Senior Banquet, and our class play.

We have proved our high scholastic record by appearing many times on "Teen Quiz." A large amount of us Juniors also belong to the National Honor Society.

The second semester we took over editing the "Smoke Signals." This has been our first experience in the field of Journalism.

Many of the Junior boys hold letters or will receive them this year. A large percentage of the "A" squad is composed of Juniors as well as the "B" squad.

We are looking forward to our Senior year and hope it is as rewarding and exciting as our Junior year has been.

MOTTO  
The Door to Success is Labeled - PUSH!

As the Senior Class of 1964 looks back over these last years, we view them with mixed emotions. We shall always remember the years spent in Westhope High School. We shall remember the wide-eyed smallness we felt when we were Freshmen, the growing confidence we felt as Sophomores. We certainly shall remember our Junior year - the prom, "Moon River," and the Junior-Senior banquet. We are grateful to Westhope High School for the excellent education provided for us.
