

ProductiveRecruit is a college athletic recruiting platform trusted by 25,000+ athletes and 400+ organizations. It helps student-athletes take control of their recruiting journey with professional tools to contact coaches and track who's interested.

Platform Features

✓ Email + Tracking

- Send from personal Gmail—coaches want to hear from athletes directly
- Track opens, clicks, profile views, and video plays in real-time
- Smart templates with personalization for efficient outreach

✓ Online Recruiting Profile

- Professional profile with videos, stats, and academics
- Embed videos from YouTube, Hudl, Balltime, or Vimeo
- Track which coaches view your profile

✓ College Search & Database

- Search programs by division, location, major, tuition, and more
- Verified coach contacts updated monthly
- D1, D2, D3, NAIA, and JUCO programs across every sport

✓ Target List & Organization

- Save schools and rank top choices
- Track status with each program (contacted, interested, offered)
- Dashboard showing emails sent and engagement metrics

Why Athletes Love ProductiveRecruit

✓ Know Who's Interested

See real-time data on which coaches open emails and view profiles

✓ Save Time

Verified coach contacts and email templates eliminate research hours

✓ Stay Organized

One dashboard for college lists, outreach history, and follow-ups

✓ Take Control

Athletes drive their own process with professional tools
